Re: *City of Utica Industrial Development Agency 2017 Lease-Leaseback Transaction
(120 Security, LLC Facility)*

Dear Mr. Bowers:

Pursuant to a resolution duly adopted on March 7, 2017, the City of Utica Industrial Development Agency (the "Agency") appointed 120 Security, LLC, on behalf of itself and/or the principals of 120 Security, LLC, and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") the true and lawful agent of the Agency to enter into a transaction in which the Agency will assist in the renovation and rehabilitation of a 15,000± square foot, five-story historic building (the "Improvements") situated on a .095± acre parcel of land located at 120-126 Bleecker Street, City of Utica, Oneida County, New York (the "Land") and the acquisition and installation of machinery and equipment in the Improvements (the "Equipment"), all for the adaptive reuse of the Improvements for lease to commercial and/or retail tenants and to enhance economic development and retain employment in downtown Utica (the Land, Improvements and Equipment collectively, the "Facility").

It is the intent of the Agency that this agency appointment include, from the effective date of such appointment, authority to purchase, lease and otherwise use on behalf of the Agency all materials, equipment, goods, services and supplies to be incorporated into and made an integral part of the Facility and also include the following activities as they relate to the renovation, rehabilitation and equipping of the Facility, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the renovation, rehabilitation and equipping of the Facility; (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with the renovation, rehabilitation and equipping of the Facility including all utility services and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible

personal property (including installation costs), installed or placed in, upon or under such building, including all repairs and replacements of such property.

The agency appointment includes the power to delegate such agency appointment, in whole or in part, to agents, subagents, contractors, subcontractors, materialmen, suppliers and vendors of the Company and to such other parties as the Company chooses so long as they are engaged, directly or indirectly, in the activities hereinbefore described.

In exercising this agency appointment, the Company, its agents, subagents, contractors and subcontractors, should give the supplier or vendor a copy of this letter to show that the Company, its agents, subagents, contractors and subcontractors are each acting as agent for the Agency. Construction contracts, purchase orders and other agreements relating to the project should be executed by the Company, or any sub-agent appointed by the Company, as agent of the Agency. Also, purchases must be billed or invoiced by the vendor to the Company, or any sub-agent appointed by the Company, as agent of the Agency (e.g. "120 Security, LLC as agent for the City of Utica Industrial Development Agency"). The supplier or vendor should identify the Facility as the "**120 Security, LLC Facility**" on each bill or invoice and indicate thereon that the Company, its agents, subagents, contractors and subcontractors acted as agent for the City of Utica Industrial Development Agency in making the purchase. You and each of your agents, subagents, contractors and/or subcontractors claiming a sales tax exemption in connection with the Facility must execute a copy of the Contract in Lieu of Exemption Certificate attached hereto, and must complete a New York State Department of Taxation and Finance Form ST-60. Original copies of each Contract in Lieu of Exemption Certificate and completed Form ST-60 must be delivered to the Agency within five (5) days of the appointment of each of your agents, subagents, contractors or subcontractors. Any agent, subagent, contractor or subcontractors of the Company which delivers completed Form ST-60 to the Agency will be deemed to be the agent, subagent, contractor or subcontractor of the Agency for purposes of acquiring, renovating and equipping the Facility. **Failure to comply with these requirements may result in loss of sales tax exemptions for the Facility.**

You should be aware that the New York State General Municipal Law requires you to file with the New York State Department of Taxation and Finance Form ST-340 (Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority) regarding the value of sales tax exemptions you, your agents, consultants or subcontractors have claimed pursuant to the authority we have conferred on you with respect to this Project. This statement must be filed on

an annual basis for as long as the Company is claiming a sales tax exemption. **The penalty for failure to file such statement is the removal of your authority to act as an agent.**

The value of exemptions from sales and use taxes on materials and equipment authorized by the Agency is estimated at \$98,438 but shall not exceed \$108,282 in the aggregate. If the exemptions claimed by the Company exceed \$108,282 it may subject the Company to recapture of sales tax by New York State.

The aforesaid appointment of the Company as agent of the Agency to renovate, rehabilitate and equip the Facility shall expire on March 7, 2018. If, for some reason, this transaction never closes, you will be liable for payment of the sales tax, if applicable and you are not otherwise exempt, on all materials purchased.

Please sign and return a copy of this letter for our files.

Very truly yours,

CONTRACT IN LIEU OF EXEMPTION CERTIFICATE

This Contract is entered into by and between **120 Security, LLC** (the "Company"), as agent for and on behalf of the City of Utica Industrial Development Agency, a public benefit corporation and a governmental agency of the State of New York (the "Agency") in connection with the renovation, rehabilitation, equipping and completion of the facility described in Addendum A hereto (the "Facility") and the contractor or the subcontractor more particularly described on page 2 hereof (the "Contractor").

Pursuant to the authority granted to the Company, as agent of the Agency, the Contractor is hereby appointed agent of said Agency for purposes of completing, executing or otherwise carrying out the obligations imposed under this Contract.

The Contractor acknowledges that the Agency has acquired or will acquire title to or a leasehold interest in the Facility and the Agency is a public benefit corporation and governmental entity of the State of New York. By reason of such status, Agency and its agents acting on its behalf are exempt from payment of all New York State and local sales and use taxes on the purchase or lease of all materials, equipment, goods, services and supplies incorporated into and made an integral component part of any structure, building or real property which becomes the property of Agency, and all equipment, machinery and other tangible personal property (including installation costs with respect thereto) which becomes the property of Agency or in which the Agency has a leasehold interest. In addition, Agency and its agents acting on its behalf are exempt from all sales and use taxes arising out of or connected with the following, as they relate to performance under this Contract: (i) purchases, leases, rentals and other uses of tools, machinery and equipment, and (ii) purchases, leases, rentals, uses or consumption of supplies, goods, materials and services of every kind and description; provided, however, that exemption from sales and use tax with respect to clauses (i) and (ii) above shall apply only if the Contractor is then acting as agent for Agency under the terms of this Contract.

Pursuant to these exemptions from sales and use taxes, the Contractor shall not include such taxes in its contract price, bid, or reimbursable costs, as the case may be. If the Contractor does not comply with the requirements for sales and use tax exemptions, as described above, then it shall be responsible for and pay any and all applicable New York State sales and use taxes, and no portion thereof shall be charged or billed to the Agency or the Company directly or indirectly, the intent of this Contract being that neither Agency nor the Company shall be liable for any of the sales or use taxes described above. This Contract may be accepted by the Contractor in lieu of an exemption certificate, and the Contractor shall retain a copy hereof to substantiate the sales and use tax exemption.

The aforesaid appointment of the Company as agent of the Agency to renovate, rehabilitate and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) March 7, 2018, provided, however, such

appointment may be extended at the discretion of the Agency, upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment.

Based upon representations made by the Company in its Application for Financial Assistance, the value of exemptions from sales and use taxes on materials and equipment authorized by the Agency is estimated at \$98,438 but shall not exceed \$108,282 in the aggregate. If the exemptions claimed by the Company exceed \$108,282 it may subject the Company to recapture of sales tax by New York State.

The Agency shall have the right to assign this Contract to the Company by written notice to the Contractor and without written consent of the Contractor, in which case Agency shall be relieved of all obligations hereunder. In the event of such assignment, all applicable sales and use taxes shall be added to the purchase price and paid to the Contractor pursuant to a change order. All of the above provisions with respect to exemptions for New York State sales and use taxes shall apply to all subcontractors and other parties in privity of contract with the Company, Agency or the Contractor pursuant to the terms of this Contract.

MINUTES OF PUBLIC HEARING HELD ON APRIL 10, 2017

CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY
2017 LEASE-LEASEBACK TRANSACTION
(120 SECURITY, LLC FACILITY)

1. Jack N. Spaeth, Executive Director of the City of Utica Industrial Development Agency (the "Agency"), called the hearing to order.
2. The Executive Director, also being the Assistant Secretary of the Agency, recorded the minutes of the hearing.
3. The Executive Director then described the proposed financial assistance and the location and nature of the Facility as follows:

120 Security, LLC, on behalf of itself and/or the principals of 120 Security, LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") has applied to the Agency to enter into a transaction in which the Agency will assist in the renovation and rehabilitation of a 15,000± square foot, five-story historic building (the "Improvements") situated on a .095± acre parcel of land located at 120-126 Bleecker Street, City of Utica, Oneida County, New York (the "Land") and the acquisition and installation of machinery and equipment in the Improvements (the "Equipment"), all for the adaptive reuse of the Improvements for lease to commercial and/or retail tenants and to enhance economic development and retain employment in downtown Utica (the Land, Improvements and Equipment collectively, the "Facility"). The Facility will be initially leased, operated and/or managed by the Company.

The Company owns the Facility and will lease the Facility to the Agency, and the Agency will lease the Facility back to the Company. At the end of the lease term, the Agency will terminate its leasehold interest in the Facility. The Agency contemplates that it will provide financial assistance to the Company in the form of exemptions from sales and use taxes, exemptions from mortgage recording taxes and abatement of real property taxes for a period of ten years during which time the Company will pay no taxes during years 1-2; 20% of taxes during year 3; 30% of taxes during year 4; 40% of taxes during year 5; 50% of taxes during years 6-7; 60% of taxes during year 8; 70% of taxes during year 9; 80% during year 10 and 100% of taxes thereafter, which proposed financial assistance represents a deviation from the Agency's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein.

A representative of the Agency will at the above-stated time and place hear and accept written comments from all persons with views in favor of or opposed to either the proposed financial assistance to the Company or the location or nature of the Facility. A copy of the Application for Financial Assistance filed by the Company with the Agency, including an analysis of the costs and benefits of the proposed Facility, is available for public inspection at the offices of the Agency, One Kennedy Plaza, Utica, New York.

4. The Executive Director then opened up the hearing for comments from the floor for or against the proposed financial assistance and the location and nature of the Project Facility. The following is a listing of the persons heard and a summary of their views:

None.

5. The Executive Director then asked if there were any further comments, and, there being none, the hearing was closed at 10:30 AM.
