

INDUCEMENT AGREEMENT

THIS INDUCEMENT AGREEMENT RELATING TO THE **COLONIAL DEERFIELD, LLC FACILITY** (the "AGREEMENT") is among the City of Utica Industrial Development Agency (the "Issuer"), **TRENTON ROAD, LLC**, a New York limited liability company (the "Applicant") and **COLONIAL DEERFIELD, LLC**, a New York limited liability company (the "Company").

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this AGREEMENT are the following:

1.01. The Issuer is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 372 of the Laws of 1970 of the State of New York, as may be amended from time to time (collectively, the "Act") to undertake "Projects" (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Issuer may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, civic, recreation and commercial enterprises to locate or remain in the State and (ii) to encourage and assist in the providing of industrial pollution control facilities and (iii) to promote the economic welfare and prosperity of the inhabitants of the State. The Act vests the Issuer with all powers necessary to enable it to accomplish such purposes.

1.03. The Applicant has requested that the Issuer enter into a transaction in which the Issuer will assist in the construction of (i) a total of 156 garden style apartments and townhomes (ii) a community clubhouse building and outdoor pool, (iii) private garages, patios, and gathering spaces, and (iv) all infrastructure to service the same (collectively, the "Improvements"), situated on an approximately 25.70± acre parcel of land located at 1776 Independence Way, City of Utica, Oneida County, New York (the "Land") and the acquisition and installation of equipment in the Improvements (the "Equipment") (the Land, the Improvements and the Equipment is referred to collectively as the "Facility" and the acquisition, construction and equipping of the Facility is referred to collectively as the "Project"). The Facility will be used for market rate rental housing and will help satisfy the need for such housing identified in Oneida County's Vision 20/20 Initiative. The Applicant owns or will own the Land and will transfer the Land to Colonial Deerfield, LLC (the "Company") to undertake the Project and operate and/or manage the Facility; the Company will convey a leasehold interest in the Facility to the Issuer, and the Issuer will lease the Facility back to the Company pursuant to a Leaseback Agreement.

1.04. The Applicant and the Company hereby represent to the Issuer that the financing of the Facility through a lease-leaseback transaction (a) will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or an abandonment of one or more plants of the Applicant or the

Company located in the State; (b) is reasonably necessary to discourage the Applicant and the Company from removing such other plant or facility to a location outside the State or (c) is reasonably necessary to preserve the competitive position of the Applicant and the Company in its industry. The construction and equipping of the Facility has not commenced as of the date hereof.

1.05. The Issuer has determined that the construction and equipping of the Facility, as described in the Applicant's application to the Issuer dated January 22, 2016, which Application may be amended from time to time prior to the closing of the lease-leaseback transaction (the "Application") will promote and further the purposes of the Act.

1.06. On March 1, 2016, the Issuer adopted a resolution (the "Resolution" or the "Inducement Resolution") agreeing to undertake the Facility in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such undertaking and the satisfactory completion of such additional acts and reviews as the Issuer may deem appropriate to undertake a lease-leaseback transaction in connection with the Facility.

1.07. In the Resolution, the Issuer appointed the Company and its agents and other designees, as its agent for the purposes of constructing and equipping the Facility, and such appointment includes the following activities as they relate to the construction and equipping of the Facility, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with constructing and equipping the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with constructing and equipping the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Facility, including all repairs and replacements of such property. Such agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Issuer, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Issuer could do if acting on its own behalf.

1.08 In the Resolution, the Issuer contemplates that it will provide financial assistance to the Company as follows:

- o Abatement of real property taxes for twelve years commencing with the August 1, 2017 taxable status date during which time the Company will pay as PILOT Payments no taxes during years 1-3, 15% of taxes during years 4-5, 20% of taxes during years 6-8, 25% of taxes during years 9-10 and 30% of taxes during years 11-12;

- o Exemptions from sales and use taxes on materials and equipment purchased in connection with the construction and equipping of the Facility, the value of which is currently authorized at and shall not exceed \$1,073,300; and
- o Exemptions from mortgage recording taxes,

which financial assistance represents a deviation from the Issuer's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Issuer prior to the closing of the transactions described herein.

Article 2. Undertakings on the Part of the Issuer. Based upon the statements, representations and undertakings of the Applicant and the Company regarding the Facility and subject to the conditions set forth herein, the Issuer hereby confirms and acknowledges:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Issuer may deem appropriate, the Issuer will (A) adopt, or cause to be adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) a lease-leaseback transaction, (ii) the construction and equipping of the Facility and (iii) the leasing of the Facility to the Issuer and the leaseback of the Facility to the Company, all as shall be authorized by law and be mutually satisfactory to the Issuer and the Company and (B) shall enter into a lease-leaseback transaction pursuant to the terms of the Act, as then in force, for the purpose of financing certain costs of the Facility.

2.02. The Company and the Issuer will enter into an Leaseback Agreement. The Leaseback Agreement shall obligate the Company to make annual rental payments in the sum of \$1.00 and annual administrative fee payments of \$3,000.00. The Company shall be entitled to acquire from the Issuer title to or a leasehold interest in the Facility for \$1.00, plus such additional amounts as shall be prescribed in the Leaseback Agreement. The Leaseback Agreement shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Issuer and the Company.

2.03. That all services, costs and expenses of whatever nature incurred in connection with the acquisition, construction, equipping, installation, replacement, rebuilding, restoration, repair, maintenance and operation of the Facility have been and will continue to be undertaken by the Company as agent for the Issuer, regardless of whether such services, costs and expenses were undertaken and/or paid in its own name or in the name of the Issuer, and the Issuer shall furnish to the Company an appropriate letter on Issuer letterhead evidencing the authority of the Company to act as agent of the Issuer;

2.04. That, in connection with any lease by the Issuer to the Company that is, in turn, subleased or leased by the Company, it is the intent of all parties to the transactions that any sublease or lease is undertaken by the Company as agent for the Issuer.

2.05. That, at the request of the Applicant or the Company, and subject to the agreement between the Issuer and the Applicant or the Company, any future leasehold transfers of any portion of real property upon which the Facility is located and not leased by the Issuer, are hereby authorized, such leasehold transfer to be from the Applicant or the Company to the Issuer, and there shall be no need for any further official action on behalf of the Issuer other than the execution of the appropriate documents evidencing such leasehold transfer.

2.06. The Issuer will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Issuer herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agrees as follows:

3.02. In its Application for Financial Assistance, the Applicant projected that it or the Company will create five (5) full time equivalent jobs by the commencement of year three (3) of the Lease Term and maintain them for the full duration of the Lease Term. The Applicant and the Company acknowledge that the financial assistance by the Issuer is conditioned upon the Applicant or the Company meeting the Employment Obligation and may be subject to recapture should the Applicant or the Company not meet the Employment Obligation.

3.05. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the Issuer and its counsel), any mechanics' or other liens against the Facility for labor or materials furnished in connection with the construction and equipping of the Facility. The Applicant and the Company, jointly and severally, shall forever defend, indemnify and hold the Issuer, its members, officers, employees, and agents, and anyone for whose acts or omissions the Issuer or any of them may be liable, harmless from and against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the construction and equipping of the Facility or arising out of any contract or other arrangement therefor (and including any expenses incurred by the Issuer in defending any claims, suits or actions which may arise as a result of any of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Issuer pursuant to this AGREEMENT or otherwise.

(b) The Applicant and the Company, jointly and severally, shall forever defend, indemnify and hold harmless the Issuer, its members, officers, employees and agents, and anyone for whose acts or omissions the Issuer or any of them may be liable, from and against all claims, causes of action, liabilities and expenses (including without limitation attorneys' fees) howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employee of the Company) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facility including the failure to comply with the provisions of Article 3.05 hereof, or arising, directly or indirectly, out of the ownership, construction, acquisition, operation, maintenance, repair or financing of the Facility, and including, without limitation, any expenses incurred by the Issuer in defending any claims, suits or actions which may arise as a result of the foregoing.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Issuer, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Issuer or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any

theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by law. Without limiting the generality of the foregoing, the foregoing indemnifications shall apply to and encompass any action (or alleged failure to act) of the Issuer pursuant to the SEQRA Act.
