PART II

Reasons for Project

Please explain in detail why you want to undertake this project and define scope of project:

This project will allow UCP to expand its integrated behavioral health clinic.

Services that will be provided at this facility will be children and adult

mental health and substance abuse programs.

Why are you requesting the involvement of the IDA in your project?

Assistance from the Utica IDA is necessary for this investment in the City of Utica for multiple reasons.

The applicant expects to invest over 3 million in hard costs to finalize the transformation of the former

Bossert site which was a contaminated parcel into a medical office and service facility.

The project anticipates an additional investment of \$500,000 to continue the clean up of the site.

Furthermore, the site requires the extension of utilities and entirely new construction on the premise for the proposed expansion

The applicant is requesting a new 10 year PILOT, sales tax and mortgage recording tax abatements as part of this project.

How will the applicant's plans be affected if IDA approval is not granted?

Without the benefits, the project will not be financially viable. Public support and assistance is required to redevelop this environmentally challenged property in an economically distressed portion of the City. The site's environmental conditions will required expenditures of over \$500,000 to continue the site clean up and restoration to meet State and local requirements. Construction costs and labor costs also increase due to the environmental sensitivity on the site. Without a PILOT, sales tax and mortgage recording tax abatement, this project will not be completed.

Please confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency?

Yes or No

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:
