SUBJECT OF EXAMINATION:

A written test designed to evaluate knowledge, skills and/or abilities in the following areas:

1. Office management

These questions test for knowledge of the principles and practices of planning, organizing and controlling the activities of an office and directing those performing office activities so as to achieve predetermined objectives such as accomplishing office work within reasonable limits of time, effort and cost expenditure. Typical activities may include but will not be restricted to: simplifying and improving procedures, increasing office efficiency, improving the office work environment and controlling office supplies.

2. Office record keeping

These questions test your ability to perform common office record keeping tasks. The test consists of two or more “sets” of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of data from several sources; scheduling; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents. **You should bring with you a hand-held battery or solar-powered calculator for use on this test. You will not be permitted to use the calculator function of your cell phone.**

3. Preparing written material

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

4. Supervision

These questions test for knowledge of the principles and practices employed in planning, organizing and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale and discipline.

5. Understanding and Interpreting Written Material

These questions test how well you comprehend written material. You will be provided with brief reading selections and will be asked questions about the selections. All the information required to answer the questions will be presented in the selections; you will not be required to have any special knowledge relating to the subject areas of the selections.

The use of calculators is ALLOWED.

The use of solar or battery operated calculators are recommended. Devices with typewriter keyboards such as computers, spell-checkers, personal digital assistants, address books, language translators, dictionaries, or any similar devices are prohibited.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied for any other civil service examinations to be given on the same test date for employment with New York State or any other local government jurisdiction excluding New York City, you must make arrangements to take all the examinations at one test site.

Candidates who are called to military service after filing an application should send a request for an alternate test date to the City of Utica Municipal Civil Service Commission as soon as possible before the test date.

MILITARY SERVICE MEMBERS: If you apply for an examination during the filing period but are on active military duty on the date the examination is scheduled, you may request a military makeup examination. You must contact The City of Utica Municipal Civil Service Commission for more information. If you are on active duty or discharged after the filing period has begun, you may apply for the examination up to ten days before the date of the test.

This examination will be prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of New York State Civil Service Law and the City of Glen Cove Civil Service Rules and Regulations dealing with the preparation and rating of examinations will apply to this examination.

SENIORITY CREDIT: Seniority is based on the length of continuous permanent classified service in the jurisdiction in which promotion is sought, with points added to an eligible's passing score for each appropriate year.

When an examination is open to incumbents of non-competitive class positions, seniority would be based on time spent in a title or titles eligible to take the examination in accordance with the above schedule.

VETERAN'S CREDIT: Veterans or disabled veterans who are eligible for additional credit must submit an application for Veteran's credit with their application for examination or at any time between the date of the application for examination and the date of the establishment of the resulting eligible list. Any candidate who applies for such credit must provide proof of military status to receive additional credit. No credit may be granted after the establishment of the list. It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war as defined in Section 85 of the Civil Service Law and that the candidate either received an honorable discharge or was released under honorable conditions in order to be certified at a score including the Veteran's credit.
