- 2) a copy of the by-laws
- 3) an organizational chart
- 4) an IRS tax status letter.

Each applicant must also submit a copy of the organization's most recent audit. In the absence of an audit, the application must include a valid, legal basis for not including the audit with the application.

Eligible Program Components:

1. Street Outreach

Essential Services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, housing, or critical services, and provide them with urgent, non-facility-based care. Component services generally consist of engagement, case management, emergency health and mental health services, and transportation. For specific requirements and eligible costs, see 24 CFR 576.101.a statutory requirement for Emergency Solutions Grants recipients and sub-recipients.

The City of Utica has \$31,500 in ESG funding to reallocate. Together with the Continuum of Care, it was decided that it would be best to utilize the funding for Street Outreach in order to better serve Utica's Homeless population. Therefore, only applications which address street outreach will be eligible.

Please note that funding must be spent prior to April 2018.

1. Activity Description – Provide a detailed description of the proposed activity to be funded. Include a description of the location of the proposed activity and the clientele to be served by age, sex, race or other distinguishing demographic characteristic.

2. Activity Need – Describe the community need being addressed by the activity, including a description of the problem/need to be addressed by the activity and the manner by which the problem/need was identified. The description should address the extent to which the community need being addressed reflects a community need identified within the City of Utica’s 2015-2020 Consolidated Plan.

3. Activity Goals – Describe in detail the anticipated goals of the proposed activity. The description should address the extent to which the goals of the activity reflect a community development goal identified within the City of Utica’s 2015-2020 Consolidated Plan.

4. Activity Objectives, Outcomes and Outputs – HUD has prescribed specific objectives and outcomes to be used for all ESG-funded activities in order to standardize achievements at the local, state and national level. Please evaluate and describe your proposed activity according to the following definitions. Identify which objectives your activity will address, then identify the proposed outcome that your activity will achieve; please choose the best single objective and outcome. Bear in mind that, if funded, your information will be utilized in the preparation of the 2017 – 2018 Annual Plan and in reporting your accomplishments through the quarterly and year-end progress reports and the City’s Consolidated Annual Performance Evaluation Report (CAPER).

Emergency Solutions Grant Objectives

- (1) Engage** homeless individuals and families living on the street.
- (2) Improve** the number and quality of emergency shelters for homeless individuals and families.
- (3) Help** operate these shelters.
- (4) Provide** essential services to shelter residents.
- (5) Rapidly** re-house homeless individuals and families.

(6) Prevent families/individuals from becoming homeless.

5. Activity Justification – If the proposed activity has been funded in previous years, an explanation of the reasons supporting continued funding is required.

6. Self-Sufficiency – If the activity has been funded in previous years, **describe the manner by which your organization plans to make this activity self-sufficient**; include identification of alternate funding sources or possibility of partnering with other community organizations. **If there is no plan to make the activity self-sufficient, explain the reason.**

7. Organization Description – Provide a listing of agency personnel and their titles that will be involved in the proposed activity. Also list all Board members for the organization (*voting and ex-officio*). Identify any and all potential conflicts of interest. Finally, describe your organization’s current ability and qualifications to carry out the proposed activity.

8. Contingency Plan – In the event that CDBG funds are not granted for this proposed activity, in whole or in part, or other funds anticipated to fund this activity are not received, describe the actions to be taken by your organization.

CERTIFICATION: I hereby certify that the information contained in this application is true to the best of my knowledge. I do hereby agree to comply with all requirements of HUD Regulations 24 CFR 570 and other applicable Federal Regulations.

Activity Budget

On the attached pages, provide details on the anticipated budget for the proposed activity. Note that one budget applies to proposed construction activities, while the second budget page applies to proposed program activities.

Budget Instructions

1. Insert budget amounts for each applicable line item, including total amount, amount for which ESG funds are sought and amount to be funded with other funds.
2. For each line item, fill in the source of the leveraged funds if applicable. Each line item allows for up to three (3) different sources of leveraged funds. For each source of leveraged funds, the applicant must indicate the status of these funds, selecting from the following possible choices: Anticipated, Committed, In-Hand, Donated or Requested. For the purposes of the application, Anticipated shall mean that the applicant agency has some reasonable assurance that the funding will be received shortly; Committed shall mean that the applicant agency has received a firm commitment from the source of said funds for the utilization of those funds for the intended purpose; In-Hand shall mean that applicant agency has actually received said funds and has ready access to those funds at time of submission of the application; Donated shall mean that the applicant agency will be utilizing donated materials, services, time or labor; Requested shall mean that the applicant agency has submitted a request (i.e., grant application) for said funding, but has not received any indication of the likelihood of receiving said funds.
3. Construction budgets should include a line item budget for contingency; the contingency should be expressed as a percentage of the project cost that is then added to the project cost to arrive at a total project cost.
