INDEPENDENT AUDITOR'S REPORT

June 8, 2022

To the Board of Directors of the Utica Harbor Point Development Corp:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the business-type activities of the Utica Harbor Point Development Corp (UHPDC), a blended component unit of the City of Utica, as of and for the year ended March 31, 2022, and the related notes to the financial statements, which collectively comprise UHPDC's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of UHPDC, as of March 31, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UHPDC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

6 Wembley Court Albany, New York 12205 p (518) 464-4080 f (518) 464-4087

www.bonadio.com

INDEPENDENT AUDITOR'S REPORT (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UHPDC's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UHPDC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UHPDC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Required Supplementary Information

Management has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 8, 2022 on our consideration of UHPDC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of UHPDC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UHPDC's internal control over financial reporting and compliance.

Statement of Net Position March 31, 2022

ASSETS	
Capital assets	\$ 10,955,598
Total assets	 10,955,598

Notes to Basic Financial Statements March 31, 2022

1. REPORTING ENTITY

Utica Harbor Point Development Corp (UHPDC or Corporation) is a local development corporation created in 2011 for the purpose of improving, promoting and rehabilitating the area known as Harbor Point in the City of Utica, New York (the City). UHPDC is exempt from Federal, State, and local income taxes. The City of Utica, by and through its Mayor is the sole member of the Corporation, accordingly, UHPDC is a blended component unit of the City of Utica.

The Corporation was financially dormant until April 1, 2018 at which point it took over the City's development efforts related to the Harbor Point project. During UHPDC's dormant period, the City of Utica obtained certain grants and expended certain funds to further the project's goals. Upon the sale and disposition of UHPDC's assets, the net proceeds will revert to the City.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

UHPDC's financial statements are prepared in conformity with accounting principles generally accepted in the United States as set forth by the Governmental Accounting Standards Board (GASB) for proprietary funds.

Basis of Presentation

GASB requires the classification of net position into three classifications defined as follows:

- Net investment in capital assets the component of net position consists of capital assets, net of
 accumulated depreciation, reduced by the outstanding balances of any bonds, mortgages, notes, or
 other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
 If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to
 the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt.
 Rather, that portion of the debt is included in the same net position component as the unspent
 proceeds.
- Restricted net position the component of net position consists of amounts which have external
 constraints placed on their use imposed by creditors (such as through debt covenants), grantors,
 contributors, or laws or regulations of other governments or constraints imposed by law through
 constitutional provisions or enabling legislation. At March 31, 2022, UHPDC does not have restricted net
 position.
- Unrestricted net position the component of net position consists of net position that doesn't meet the definition of net investment in capital assets, designated for debt service or restricted.
 - Unrestricted designated for debt service the component of net position is designated to be used to repay outstanding lines of credit.

When both restricted and unrestricted resources are available for use, it is UHPDC's policy to use restricted resources first.

Notes to Basic Financial Statements March 31, 2022

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the report period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents includes demand deposits, money market funds, and certificates of deposit with original maturities of twelve months or less. UHPDC maintains its cash and cash equivalents in bank accounts. Interest and dividend income from cash and cash equivalents is reported in other income in the statement of revenues, expenses, and changes in net position.

Construction in Progress

UHPDC capitalizes all construction, engineering and other costs that are expected to have long term economic value to the City. No depreciation has been recorded as all projects are not yet complete.

Revenue Recognition

UHPDC's primary source of revenue is grant revenue from New York State Urban Development Corp. d/b/a Empire State Development. Grant revenue is recognized when the terms of the grant have been met and request for payment has been made.

Contributed Facilities and Services

UHPDC, with the consent of the Common Council of the City of Utica, is authorized to use and has shared City employees, facilities, and equipment and may reimburse the City an agreed upon proportion of the compensation or costs of the services provided. For the year ended March 31, 2022, the City did not request any reimbursement and no such reimbursement was made.

Notes to Basic Financial Statements March 31, 2022

3. DEPOSITS WITH FINANCIAL INSTITUTIONS AND INVESTMENTS

Policies

UHPDC follows an investment and deposit policy, the overall objective of which is to adequately safeguard the funds of UHPDC and funds under the control of UHPDC; to provide sufficient liquidity of invested funds in order to meet obligations as they become due; and to earn the maximum yield possible given the objectives previously listed. Oversight of investment activity is the responsibility of the Executive Director. UHPDC's monies must be deposited in Federal Deposit Insurance Corporation (FDIC) insured commercial banks or trust companies as designated by the Board of Directors. Permissible investments include: a) obligations of the United States or of federal agencies whose principal and interest payments are fully guaranteed by the federal or state government, b) obligations of New York State or in general obligations of the State's political subdivisions, c) certificates of deposits or deposits with banks with an investment grade rating by a Rating Agency, d) commercial paper rated Prime-1 and/or A-1, and e) money market funds with AAA ratings.

Interest Rate Risk

Interest rate risk is the risk that the fair value of investments will be affected by changing interest rates. UHPDC's investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

UHPDC's policy is to minimize the risk of loss due to failure of an issuer or other counterparty to an investment to fulfill its obligations.

Custodial Credit Risk

Custodial credit risk is the risk that, in the event of a failure of a depository financial institution, the reporting entity may not recover its deposits. Governmental Accounting Standards direct that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance, and the deposits are not covered by collateralization. All deposits are covered by depository insurance.

4. RELATED PARTY

UHPDC's governing body is appointed by the Mayor of the City of Utica.

Notes to Basic Financial Statements March 31, 2022

5. CONSTRUCTION IN PROGRESS

As of March 31, 2022, UHPDC has construction in progress as follows:

		Balance				Balance
	April 1,			ı	March 31,	
		2021	Α	dditions		2022
Professional services	\$	756,083	\$	-	\$	756,083
Land		959,183		-		959,183
Site work		1,781,955		689,795		2,471,750
Bulkhead		6,697,930		70,652		6,768,582
	\$	10,195,151	\$	760,447	\$	10,955,598

6. LINE OF CREDIT

UHPDC has two lines of credit with a financial institution. Terms are as follows:

Amount	\$	<u>Line 1</u> 2,650,000		<u>Line 2</u> 2,500,000
Туре		volving LOC		
Current balance	\$	2,637,736	\$	522,368
Interest rate basis	WS	SJ U.S. Prime	WS	J U.S. Prime
Current interest rate		3.25%		3.25%
Payable	0	n demand	0	n demand
Activity during the year is as follows:				
Balance April 1, 2021	\$	<u>Line 1</u> 2,013,259		<u>Line 2</u> 2,500,000
Borrowing		714,275		-
Repayments	_	89,798		1,977,632
Balance March 31, 2022	\$	2,637,736	\$	522,368

Notes to Basic Financial Statements March 31, 2022

UHPDC has unused lines of credit in the amount of \$1,989,896 at March 31, 2022. Additionally, UHPDC's outstanding lines of credit from direct borrowings of \$3,160,104 contain a provision that in an event of default the lender may have, do any one or more of the following: (a) cancel the agreement and/or withhold further advances; (b) institute appropriate proceedings to enforce the performance of the agreement and the other related documents; (c) expend funds necessary to remedy the event of default; (d) execute upon any of the collateral, in any manner available under applicable law; and (e) exercise any other right or remedy which it has under any related document or which is otherwise available to lender at law or in equity.

7. COMMITMENTS AND CONTINGENCIES

UHPDC has signed contracts for professional services and construction. Approximately \$452,619 of work remains to be completed on these contracts. All work is expected to be completed by the end of the next fiscal year.

UHPDC is the beneficiary of two grants with NYS Empire State Development (ESD). Grant terms are as follows:

	Grant Number			
	<u>Z182</u>	132084		
Purpose	Infrastructure	Infrastructure		
Grant amount	\$ 5,000,000	\$ 6,000,000		
Claimed to date	3,684,126	6,000,000		
Remaining	\$ 1,315,874	\$ -		

8. CONTINUING OPERATIONS

As of March 31, 2022, UHPDC has \$3,442,595 of current liabilities and zero current assets. UHPDC expects to continue its operations as follows: at year end March 31, 2022, UHPDC has \$1,315,874 remaining to be claimed on grant number Z182. Additionally, UHPDC anticipates proceeds from property sales during fiscal year 2023 of approximately \$2.5 million. These proceeds will enable UHPDC to pay off all of its outstanding liabilities.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

June 8, 2022

To the Board of Directors of
Utica Harbor Point Development Corp

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Utica Harbor Point Development Corporation (UHPDC) as of and for the year ended March 31, 2022, and the related notes to the financial statements, which collectively comprise UHPDC's basic financial statements and have issued our report thereon dated June 8, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered UHPDC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of UHPDC's internal control. Accordingly, we do not express an opinion on the effectiveness of UHPDC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and responses as item 2022-001 that we consider to be a material weakness.

6 Wembley Court Albany, New York 12205 p (518) 464-4080 f (518) 464-4087

www.bonadio.com

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether UHPDC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Utica Harbor Point Development Corp's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on UHPDC's response to the findings identified in our audit and described in the accompanying schedule of findings and responses. UHPDC's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UHPDC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Schedule of Findings and Responses For the Year Ended March 31, 2022

Financial Statement Finding:

2022-001 Condition of Accounting Records

Condition/Cause: There was an unrecorded expense accrual causing accounts payable and expense to be understated at year end March 31, 2022.

Criteria: Internal controls over financial reporting should be properly designed, documented and implemented to ensure all material transactions are recorded properly in accordance with Generally Accepted Accounting Principles (GAAP).

Effect: A material audit adjustment was necessary to present the financial statements in accordance with GAAP as of March 31, 2022.

Expense \$ 282,386

Accounts Payable \$ 282,386

Recommendation: We recommend management review policies and procedures related to capturing all necessary expense accruals at year end, as well as review of journal entries and year-end adjustments to ensure the timely detection and correction of errors.

View of Responsible Officials: For future audits, the above recommendation will be implemented.
