Each applicant must also submit a copy of the organization’s most recent audit. In the absence of an audit, the application must include a valid, legal basis for not including the audit with the application.

Eligible Program Components:

1. Homeless Street Outreach

Essential Services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, housing, or critical services, and provide them with urgent, non-facility-based care. Component services generally consist of engagement, case management, emergency health and mental health services, and transportation. For specific requirements and eligible costs, see 24 CFR 576.101.

2. Emergency Shelter

Renovation of a building to serve as an emergency shelter. Site must serve homeless persons for at least 3 or 10 years, depending on the cost and type of renovation (major rehabilitation, conversion, or other renovation). Note: Property acquisition and new construction are ineligible.

Essential Services for individuals and families in emergency shelter. Component services generally consist of case management, child care, education services, employment assistance and job training, outpatient health services, legal services, life skills training, mental health services, substance abuse treatment services, and transportation.

Shelter Operations, including maintenance, rent, security, fuel, equipment, insurance, utilities, and furnishings.

Relocation assistance for persons displaced by a project assisted with ESG funds.

For specific requirements and eligible costs, see 24 CFR 576.102.

3. Homelessness Prevention

Housing relocation and stabilization services and/or short and/or medium-term rental assistance necessary to prevent the individual or family from moving into an emergency shelter or another place described in paragraph (1) of the “homeless” definition in § 576.2.

Component services and assistance generally consist of short-term and medium-term rental assistance, rental arrears, rental application fees, security deposits, advance payment of last month's rent, utility deposits and payments, moving costs, housing search and placement, housing stability case management, mediation, legal services, and credit repair. For specific requirements and eligible costs, see 24 CFR 576.103, 576.105, and 576.106.

4. Rapid Re-Housing

Housing relocation and stabilization services and short and/or medium-term rental assistance as necessary to help individuals or families living in an emergency shelter or other place described in paragraph (1) of the “homeless” definition move as quickly as possible into permanent housing and achieve stability in that housing.

Component services and assistance generally consist of short-term and medium-term rental assistance, rental arrears, rental application fees, security deposits, advance payment of last month's rent, utility deposits and payments, moving costs, housing search and placement, housing stability case management, mediation, legal services, and credit repair. For specific requirements and eligible costs, see 24 CFR 576.104, 576.105, and 576.106.

5. **HMIS**

Grant funds may be used for certain Homeless Management Information System (HMIS) and comparable database costs, as specified at 24 CFR 576.107

*Homeless Management Information System (**HMIS**) is a locally administered, electronic data collection system that stores longitudinal person level information about persons who access the homeless service system.

According to Section 416(F) of the HEARTH Act of 2009, HMIS participation is a statutory requirement for Emergency Solutions Grants recipients and sub-recipients.

Attached Narrative

On separate pages to be attached to the application, please answer the following narrative questions. Please note that all responses in total should be limited to no more than seven (7) pages. Each page must have a minimum of 1" margins on all four sides of the paper. Font must be Arial 12-point. Responses may be single-spaced and only on one side of the paper. While graphics may be inserted into the response, margin and length of response restrictions will still adhere. **Applications that do not adhere to these requirements will not be considered for funding.**

1. Activity Description – Provide a detailed description of the proposed activity to be funded. Include a description of the location of the proposed activity and the clientele to be served by age, sex, race or other distinguishing demographic characteristic.

2. Activity Need – Describe the community need being addressed by the activity, including a description of the problem/need to be addressed by the activity and the manner by which the problem/need was identified. The description should address the extent to which the community need being addressed reflects a community need identified within the City of Utica's 2025-2029 Consolidated Plan.

3. Activity Goals – Describe in detail the anticipated goals of the proposed activity. The description should address the extent to which the goals of the activity reflect a community development goal identified within the City of Utica's 2025-2029 Consolidated Plan.

4. Activity Objectives, Outcomes and Outputs – HUD has prescribed specific objectives and outcomes to be used for all ESG-funded activities in order to standardize achievements at the local, state and national level. Please evaluate and describe your proposed activity according to the following definitions. Identify which objectives your activity will address, then identify the proposed outcome that your activity will achieve; please choose the best single objective and outcome. Bear in mind that, if funded, your information will be utilized in the preparation of the 2026 – 2027 Annual Plan and in reporting your accomplishments through the quarterly and year-end progress reports and the City's Consolidated Annual Performance Evaluation Report (CAPER).

Emergency Solutions Grant Objectives

(1) Engage homeless individuals and families living on the street.

(2) Improve the number and quality of emergency shelters for homeless individuals and families.

(3) Help operate these shelters.

(4) Provide essential services to shelter residents.

(5) Rapidly re-house homeless individuals and families.

(6) Prevent families/individuals from becoming homeless.

5. Activity Justification – If the proposed activity has been funded in previous years, an explanation of the reasons supporting continued funding is required.

6. Self-Sufficiency – If the activity has been funded in previous years, **describe the manner by which your organization plans to make this activity self-sufficient**; include identification of alternate funding sources or possibility of partnering with other community organizations. **If there is no plan to make the activity self-sufficient, explain the reason.**

7. Organization Description – Provide a listing of agency personnel and their titles that will be involved in the proposed activity. Also list all Board members for the organization (*voting and ex-officio*). Identify any and all potential conflicts of interest. Finally, describe your organization’s current ability and qualifications to carry out the proposed activity.

8. Contingency Plan – In the event that ESG funds are not granted for this proposed activity, in whole or in part, or other funds anticipated to fund this activity are not received, describe the actions to be taken by your organization.

CERTIFICATION: I hereby certify that the information contained in this application is true to the best of my knowledge. I do hereby agree to comply with all requirements of HUD Regulations 24 CFR 570 and other applicable Federal Regulations.

Activity Budget

On the attached pages, provide details on the anticipated budget for the proposed activity. Note that one budget applies to proposed construction activities, while the second budget page applies to proposed program activities.

Budget Instructions

1. Insert budget amounts for each applicable line item, including total amount, amount for which ESG funds are sought and amount to be funded with other funds.
2. The City of Utica ESG Program requires a 100% match for leveraging (1:1). *For each line item of requested ESG funding, fill in the source title of the leveraged funds as well as the dollar amount leveraged from each source (if more lines are needed, you may attach a separate sheet).* Each line item allows for up to three (3) different sources of leveraged funds. For each source of leveraged funds, the applicant must indicate the status of these funds, selecting from the following possible choices: **Anticipated, Committed, In-Hand, Donated or Requested**. For the purposes of the application, **Anticipated** shall mean that the applicant agency has some reasonable assurance that the funding will be received shortly; **Committed** shall mean that the applicant agency has received a firm commitment from the source of said funds for the utilization of those funds for the intended purpose; **In-Hand** shall mean that applicant agency has actually received said funds and has ready access to those funds at time of submission of the application; **Donated** shall mean that the applicant agency will be utilizing donated materials, services, time or labor; **Requested** shall mean that the applicant agency has submitted a request (i.e., grant application) for said funding, but has not received any indication of the likelihood of receiving said funds.
