**RESOLUTION OF THE CITY OF UTICA INDUSTRIAL
DEVELOPMENT AGENCY DETERMINING THAT ACTION TO
PROVIDE FINANCIAL ASSISTANCE RELATING TO A PROJECT
FOR THE BENEFIT OF PEOPLE FIRST AMP 1, LLC WILL NOT
HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT**

WHEREAS, People First AMP 1, LLC, on behalf of itself and/or the principals of People First AMP 1, LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") has applied to the Agency to enter into a lease-leaseback transaction in which the Agency will assist in a multiphase development consisting of (i) demolition of forty-one residential apartment buildings containing 361 units known as F.X. Matt, ND Peters and Adrean Terrace Apartments and the community room known as the Vega Center; (ii) construction of 425 new, energy efficient affordable housing units including 60 supportive units with onsite services; a new community building; outdoor amenities and landscaping; and all roads, sidewalks, parking lots and infrastructure to service the same (collectively, the "Improvements") situated on three parcels of land containing 25± acres in the aggregate located at 1600, 1736 and 1790 Armory Drive in the City of Utica, Oneida County, New York (collectively, the "Land") and (iii) acquisition and installation of furniture, fixtures and equipment in the Improvements (the "Equipment"), all to be used for the purpose of preserving affordable housing and to enhance economic development and retain employment in Utica (the Land, the Improvements and the Equipment are referred to collectively as the "Facility" and the demolition, construction and equipping of the Facility is referred to collectively as the "Project"); and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 NYCRR Part 617, as amended (the "Regulations"), the Agency desires to determine whether the demolition, construction and equipping of the Facility may have a "significant effect on the environment" (as said quoted term is defined in the SEQR Act and the Regulations) and therefore require the preparation of an environmental impact statement; and

WHEREAS, to aid the Agency in determining whether the Project may have a significant effect upon the environment, the Agency has reviewed the minutes of the August 15, 2024 meeting of the City of Utica Planning Board, its findings and negative declaration in connection with its site plan review (the "Planning Board Review"), a copy of which was presented to and reviewed by the Agency at this meeting and copies of which are on file at the office of the Agency; and

WHEREAS, pursuant to the Regulations, the Agency has examined the EAF and the Planning Board Review in order to make a determination as to the potential environmental significance of the Facility.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based on an examination of the Application, the EAF, the Planning Board Review and based further upon the Agency's knowledge of the area surrounding the Facility and such further investigation of the Facility and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations with respect to the Facility:

- (A) The Facility is as described in the Application and the EAF;
- (B) The Facility constitutes a "Type I Action" (as defined in the Regulations);
- (C) No potentially significant impacts on the environment are noted in the EAF for the Facility, and none are known to the Agency;
- (D) The Facility will not result in (i) substantial adverse change in existing air quality; ground or surface water quality or quantity, traffic or noise levels; a substantial increase in solid waste production; or a substantial increase in potential for erosion, flooding, leaching or drainage problems; (ii) the removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of a resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on threatened or endangered species of animal or plant, or the habitat of such species; or (iii) other significant adverse impacts to natural resources;
- (E) The Facility will not affect a critical environmental area as designated pursuant to 6 NYCRR 617.14(g);
- (F) The Facility will not conflict with the community's current plans or goals as officially approved or adopted;
- (G) The Facility will not result in the impairment of the character or quality of important historical, archeological, architectural, or aesthetic resources or of existing community or neighborhood character;
- (H) The Facility will not result in a major change in the use of either the quantity or type of energy;
- (I) The Facility will not result in the creation of a hazard to human health;

(J) The Facility will not result in a substantial change in the use, or intensity of use, of land including architectural, open space or recreational resources, or in its capacity to support existing uses;

(K) The Facility will not result in encouraging or attracting of a large number of people to a place or places for more than a few days, compared to the number of people who would come to such place absent the action;

(L) The Facility will not result in the creation of a material demand for other actions that would result in one or more of the above consequences;

(M) The Facility will not result in changes in two or more elements of the environment, no one of which has a significant impact on the environment, but when considered together result in a substantial adverse impact on the environment; and

(N) The Facility will not result in two or more related actions undertaken, funded or approved by an agency, none of which has or would have a significant impact on the environment, but when considered cumulatively would meet one or more of the criteria in 6 NYCRR Section 617.7(c).

Section 2. The Agency hereby determines that the Facility will not have a significant impact on the environment and the Agency will not require the preparation of an environmental impact statement with respect to the Facility. As a result, the Agency has prepared a negative declaration with respect to the Facility.

Section 3. The Executive Director of the Agency is hereby directed to file in the Agency's records a negative declaration with respect to the Facility (said negative declaration to be substantially in the form and substantially to the effect of the negative declaration attached hereto).

Section 4. This resolution shall take effect immediately.
