## AGREEMENT

NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

### Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver, and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will take title to or a leasehold interest in the Facility, lease the Facility to the Company pursuant to this Leaseback Agreement and designate the Company as its agent for purposes of the Project, all for the purpose of promoting employment opportunities and preventing economic deterioration in the City of Utica and promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the City of Utica and improving their standard of living.

(c) By resolution adopted on January 15, 2025 the Agency determined that, based upon the review by the Agency of the materials submitted

and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQR Act.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Leaseback Agreement by the undertaking of the Company to acquire, construct, equip, maintain and repair the Facility and create or retain related jobs in the City of Utica, New York.

(g) Promptly following written request from the Bank and/or the Company, the Agency shall execute a document or documents splitting the lien of the Mortgage, as contemplated and described in in the Recitals above, together with such other documentation as shall be reasonably required to effectuate the splitting of the Mortgage lien. Provided the form of Mortgage splitting document(s) is/are in substantially the form presented to the Agency prior to the execution of this Leaseback Agreement, the execution and delivery of such documents by the Agency shall not be subject to any further approval by the Agency or the Agency's members, and shall not subject the Company to the payment of any additional fees or expenses, other than the reasonable legal fees of Transaction Counsel to facilitate such execution.

#### Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company

Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Articles of Organization or the Operating Agreement of the Company as the same may be amended or restated, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument.

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State; and the Agency has found that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, construction, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. The Company shall defend, indemnify and hold harmless the Agency for expenses, including reasonable attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d).

(e) The Company has caused to be transferred to the Agency a leasehold interest in all those properties and assets contemplated by this Leaseback Agreement and all documents related hereto.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in

any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) except as referenced in the Environmental Reports, that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall promptly notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the reasonable and actual expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent. The Agency and the Company are entering into an Environmental Compliance and Indemnification Agreement of even date herewith (the "Environmental Compliance Agreement"), and in the event there is a conflict between the representations made in this Section and the Environmental Compliance Agreement, the representations of the Environmental Compliance Agreement shall be controlling.

(h) In the Application, the Company represented that it will create two (2) full time equivalent positions at the Facility within two years of the Completion Date and maintain all for the duration of the Lease Term as a result of undertaking the Project (the "Employment Obligation").

## ARTICLE II

### DEMISING CLAUSES AND RENTAL PROVISIONS

## Section 2.1 Agreement to Convey to Agency.

The Company has conveyed to the Agency a leasehold interest in real property, including any buildings, structures or improvements thereon, described in Exhibit A attached hereto and the Company has or will convey all of the interest in the Equipment described in Exhibit B. The Company agrees that the Agency's interest in the Facility resulting from said conveyances will be sufficient for the purposes intended by this Leaseback Agreement and agrees that it will defend, indemnify and hold the Agency harmless from any expense or liability arising out of a defect in title or a lien adversely affecting the Facility and will pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a lien affecting the Facility.

## Section 2.2 Acquisition, Construction and Equipping of the Facility.

(a) The Company, as agent for the Agency, will undertake the Project.

(b) The Agency hereby confirms its appointment of the Company effective January 15, 2025 as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Agency Documents, and the Company hereby confirms its acceptance of such appointment effective as of such date: (1) to acquire, construct, install and complete the Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the acquisition, construction, installation and completion of the Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Leaseback Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, installation and completion of the Facility from funds made available therefor in accordance with this Leaseback Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, construction, installation and completion of the Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same. Without limiting the generality of the foregoing, the Company's appointment as agent includes the authority to purchase, rent, lease, and otherwise use tools, machinery and equipment in connection with constructing and installing the Facility, to purchase, rent, lease, use and consume supplies, materials and services of every kind and description in connection with the construction and installation of the Facility, and to purchase, rent, lease, and use equipment, machinery and other tangible personal property (including without limitation installation costs) installed or placed in, on, under or over the Facility.

(c) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the agency appointment with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(d) The Company acknowledges, pursuant to Section 875(5) of the Act, the Thirty-Day Sales Tax Report may not be utilized as the basis to make any purchase exempt from sales tax, and that use of the Thirty-Day Sales Tax Report in such manner will both (1) subject the Company or any user to civil and criminal penalties for misuse of a copy of such statement as an exemption certificate or document or for failure to pay or collect tax as provided in the tax law and (2) be deemed to be under articles twenty-eight and thirty-seven of the New York State tax law, the issuance of a false or fraudulent exemption certificate or document with intent to evade tax. The Company shall receive a sales tax exemption letter with respect to the Project (the "Sales Tax Exemption Letter"). The Company or any user is required to utilize a Form ST-123 (a form of which is attached to the Sales Tax Exemption Letter) to obtain the sales tax exemption.

(e) The Agency recognizes that the Company may exercise the functions of agent of the Agency pursuant to Section 2.2(b) of this Leaseback Agreement either directly or through a series of contractors, subcontractors or other third parties. In many cases, purchases made by such contractors, subcontractors or other third parties will be exempt from sales and use taxes imposed in New York State for one or more of the reasons set forth in Section 1116(a) of the Tax Law of the State of New York, as indicated in Form ST-120.1 promulgated by the New York State Department of Taxation and Finance. However, from time to time, the Company may desire (1) to appoint a contractor, subcontractor or other third party as sub-agent of the Company with respect to the Project (a "Third Party Agent"), and (2) that such Third Party Agent be recognized by the New York State Department of Taxation and Finance as a sub-agent of the Agency. In this event, the Company may request that the Agency execute a Form ST-60 (IDA Appointment of Project Operator or Agent) (a "Third Party Thirty-Day Sales Tax Report") notifying the New York State Department of Taxation and Finance that the Company has appointed a Third Party Agent to act as sub-agent of the Agency with respect to the Project. The Agency will grant such request upon receipt by the Agency from the Company of the following:

(1) a completed Third Party Thirty-Day Sales Tax Report with respect to such proposed Third Party Agent, (A) containing a statement identifying such proposed Third Party Agent as an indirect sub-agent of the Agency, (B) containing the taxpayer identification number of such proposed Third Party Agent, (C) indicating that such proposed Third Party Agent was appointed by the Company and not by the Agency, (D) containing a brief description of the goods and/or services intended to be exempted from sales taxes as a result of the appointment of such Third Party Agent as sub-agent of the Agency, (E) containing a rough estimate of the value of the goods and/or services which the Company expects such proposed Third Party Agent will purchase or rent in its capacity as sub-agent of the Agency, (F) containing the date when such designation of the proposed Third Party Agent as sub-agent of the Agency is intended to become effective, and (G) containing the date upon which such designation of the proposed Third Party Agent as sub-agent of the Agency shall cease;

(2) a certificate of insurance, complying with the requirements of Section 3.4 and Section 3.5 of this Leaseback Agreement as applicable to a sub-agent, indicating that (A) the Third Party Agent maintains insurance with respect to the Facility providing the coverage against the risks and for such amounts as are mandated by Section 3.4 of this Leaseback Agreement and (B) all policies evidencing such insurance (i) name the Third Party Agent, the Company and the Agency as insureds, as their interests may appear, and (ii) provide for at least thirty (30) days' written notice to the Third Party Agent, the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof.

Upon receipt of such Third Party Thirty-Day Sales Tax Report and certificate of insurance, the Agency will execute and deliver to the Company the Third Party Thirty-Day Sales Tax Report. Upon receipt of such Third Party Thirty-Day Sales Tax Report, the Company agrees to file the same with the New York State Department of Taxation and Finance.

### Section 2.3 Demise of Facility.

The Agency hereby demises and leases the Facility to the Company and the Company hereby rents and leases the Facility from the Agency upon the terms and conditions of this Leaseback Agreement.

### Section 2.4 Remedies to be Pursued Against Contractors, Subcontractors, Materialmen and their Sureties.

In the event of a default by any contractor, subcontractor, materialman or other person under any contract made by it in connection with the Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company at its expense, either

separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor, materialman or other Person so in default and against any surety for the performance of such contract. The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Company deems reasonably necessary, and in such event the Agency, at the Company's expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Agency may but shall not be obligated to prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Agency deems reasonably necessary, at the Company's expense.

#### Section 2.5 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Facility (subject to Sections 5.3 and 7.1 hereof) and the leasehold estate created hereby shall commence on the Closing Date and the Company shall accept possession of the Facility on the Closing Date.

(b) Except as provided in Section 7.1 hereof, the leasehold estate created hereby shall terminate at 11:59 p.m. on March 31, 2050 or on such earlier date as may be permitted by Section 8.1 hereof.

(d) Except as provided in Sections 5.3 and 7.1 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

#### Section 2.6 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on the First Business Day of each and every June thereafter during the term of this Leaseback Agreement.

(b) In addition to the payments of rent pursuant to Section 2.6(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as

additional rent, within ten (10) days of receipt of demand therefore, the reasonable and actual expenses of the Agency and the members thereof incurred (i) by reason of the Agency's ownership or leasing of the Facility or (ii) in connection with the carrying out of the Agency's duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Leaseback Agreement. The foregoing shall not be deemed to include any annual or continuing administrative or management fee beyond any initial administrative fee or fee for services rendered by the Agency.

(c) The Company shall pay an annual administrative fee for the Facility as follows: Three Thousand Dollars (\$3,000.00) per year commencing on the Closing Date and on the First Business Day of each and every June hereafter during the term of this Leaseback Agreement.

(d) The Company, under the provisions of this Section 2.6, agrees to make the above-mentioned payments in immediately available funds in lawful money of the United States of America within ten (10) days following written demand therefor. In the event the Company shall fail to timely make any payment required in Section 2.6(a), 2.6(b) or 2.6(c), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the prime rate as established by Bank of America, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

Section 2.7 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 2.6 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, (ii) fail to observe any of its other covenants or agreement in this Leaseback Agreement or (iii) terminate this Leaseback Agreement for any cause whatsoever except as otherwise herein provided.

Subject to the foregoing provisions, nothing contained in this Section 2.7 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Leaseback Agreement or to affect the right of the Company to seek reimbursement, and in the event the Agency should fail to perform any such agreement, the Company may institute such separate action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance, and the Agency covenants that it will not, subject to the provisions of Section 5.2 hereof, take, suffer or permit any action which will adversely affect, or create any defect in its title to the Facility or which will otherwise adversely affect the rights or estate of the Company hereunder, except upon written consent of the Company.

(b) All payments made by the Agency or on behalf of the Company pursuant to the Agency Documents shall, to the extent of the sum or sums so paid, satisfy and discharge the liability of the Agency for moneys payable pursuant to the Agency Documents.

## ARTICLE III

### MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

#### Section 3.1 Maintenance and Modifications of Facility by Company.

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements except for ordinary and expected wear and tear. During the Lease Term, the Company shall not remove any part of the Facility outside of the jurisdiction of the Agency and shall (i) keep the Facility in as reasonably safe condition as its operation shall permit; (ii) make all necessary repairs and replacements to the Facility (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen); and (iii) operate the Facility in a sound and economic manner.

(b) The Company at its own expense from time to time may make any structural additions, modifications or improvements to the Facility or any part thereof, provided such actions do not adversely affect the structural integrity of the Facility. All such additions, modifications or improvements made by the Company shall become a part of the Facility and the Property of the Agency; provided, however, the Company shall not be qualified for a sales and use tax exemption when making said additions, modifications or improvements except to the extent (i)

the Company is acting as agent for the Agency under a Sales Tax Exemption Letter that contemplates said additions, modifications or improvements or (ii) as otherwise provided by law. The Company agrees to deliver to the Agency all documents that may be necessary or appropriate to convey to the Agency title to or a leasehold interest in such Property.

### Section 3.2 Installation of Additional Equipment.

The Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility. The Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any Event of Default which has not been cured has occurred; or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage is occasioned to the Facility by such removal, the Company agrees to promptly repair such damage at its own expense; or (iii) if any such removal results in the Facility to not constitute a "Project" as such term is defined in the Act.

### Section 3.3 Taxes, Assessments and Utility Charges.

(a) Subject to the PILOT Agreement, Company agrees to pay, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost may be added thereto or becomes due or be imposed by operation of law for the non-payment thereof, (i) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Facility or any part or component thereof, or the rental or sale of the Facility or any part thereof and any taxes levied upon or with respect to the income or revenues of the Agency from the Facility (except any tax imposed on the Agency for rental income collected hereunder); (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Facility; (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; and (iv) all payments under the PILOT Agreement; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Leaseback Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) The Company, at its own expense and in its own name and on behalf of or in the name of the Agency but with notice to the Agency, may in good faith contest any such taxes, assessments and other charges. If the Company intends to file a petition to change the assessment of the Facility it must first provide at least forty-five (45) days written notice to the Agency and to all affected taxing jurisdictions that receive payments under the PILOT Agreement in accordance with Chapter 799 of the Laws of 2022. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency. The Company shall notify the Agency of the outcome of any such proceedings and the Agency reserves the right, in its sole discretion, to determine whether it is appropriate to amend the PILOT Agreement to preserve the original intention of the provision of financial assistance.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax or payment-in-lieu-of-tax.

### Section 3.5 Additional Provisions Respecting Insurance.

(a) All insurance required by Section 3.4 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the entity required to procure the same and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the procuring entity is engaged. All policies evidencing the insurance required by Section 3.4 hereof shall provide for at least thirty (30) day's prior written notice of the restriction, cancellation or modification thereof to the Agency. The policy evidencing the insurance required by Section 3.4(c) hereof shall name the Agency and Company as additional insured on a primary & non-contributory basis. All policies evidencing the insurance required by Sections 3.4(d)(ii) and (iii) shall name the Agency and Company for the ongoing construction phase and for two years following completion during the completed operations phase. The policies under Section 3.4 (a) shall contain appropriate waivers of subrogation. The policies under Section 3.4 (b),(c),(d) shall contain waivers of subrogation in favor of the Agency and Company.

(b) All policies or certificates (or binders) of insurance required by Sections 3.4 hereof shall be submitted to the Agency on or before the Closing Date or the date on which the Agency appoints the Company as its agent under the Sales Tax Exemption Letter, whichever is earlier. The Company shall deliver to the Agency before the renewal date of each policy a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term

covering at least the next succeeding calendar year, insurance of the types and in the amounts required by Section 3.4 hereof and complying with the additional requirements of Section 3.5(a) hereof. Prior to the expiration of each such policy, the Company shall furnish the Agency with evidence that such policy has been renewed or replaced or is no longer required by this Leaseback Agreement. The Company shall provide such further information with respect to the insurance coverage required by this Leaseback Agreement as the Agency may from time to time reasonably require. If the Company fails to procure insurance for the Agency as required hereunder, recoverable damages shall not be limited to the cost of premiums for such additional insurance, but shall include all sums expended, and damages incurred by the Agency, and their respective insurers, which would have otherwise been paid by the Company's required insurance.

(c) The above listed insurance requirements are the minimum required and do not in any way represent or imply that such coverage is sufficient to adequately cover the Company's liability under this Leaseback Agreement. If the Company maintains broader coverage and/or higher limits than the minimums shown above, the Agency requires and shall be entitled to the broader coverage and/or higher limits maintained by the Company. Any insurance proceeds in excess of the specified minimum limits and coverage required, which are applicable to a given loss, shall be available to the Agency. If there is a conflict between the provisions of Section 3.4 and any other Transaction Document, the broader requirements shall prevail. The Agency's acceptance of the insurance required by this Agreement does not in any way relieve the Company of its indemnification obligations in this Leaseback Agreement or any of the Transaction Documents.

Section 3.6 Application of Net Proceeds of Insurance. The net proceeds of the insurance carried pursuant to the provisions of Section 3.4 hereof shall be applied as set forth in the Mortgage, and in any event shall continue to protect the Agency from any liability whatsoever. Once the Mortgage has been released, the net proceeds shall be applied as follows: (i) the net proceeds of the insurance required by Sections 3.4(a) and (e) hereof shall be applied as provided in Section 4.1 hereof, and (ii) the net proceeds of the insurance required by Sections 3.4(b), (c), and (d) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

If the Company fails (i) to pay any tax, together with any fine, penalty, interest or cost which may have been added thereto or become due or been imposed by operation of law for nonpayment thereof, or payments-in-lieu-of-taxes pursuant to the PILOT Agreement, or assessment or other governmental charge required to be paid by Section 3.3 hereof, (ii) to maintain any insurance required to be maintained by Section 3.4 hereof, (iii) to pay any amount required to be paid by

any law or ordinance relating to the use or occupancy of the Facility or by any requirement, order or notice of violation thereof issued by any governmental person, (iv) to pay or bond over any mechanic's Lien which is recorded or filed against the Facility or any part thereof (unless contested in accordance with the provision of Section 5.9 hereof), (v) to pay any real property transfer gains tax, together with any interest and penalties thereon, which is due and payable by reason of a conveyance of the leasehold estate in and to the Facility pursuant to a judicial sale in any foreclosure action or by deed and/or assignment in lieu of foreclosure or (vi) to pay any other amount or perform any act hereunder required to be paid or performed by the Company hereunder, the Agency may but shall not be obligated to pay or cause to be paid such tax, payment-in-lieu-of-tax, assessment or other governmental charge or the premium for such insurance or any such other payment or may perform any such act. No such payment shall be made or act performed by the Agency until at least thirty (30) days shall have elapsed since notice shall have been given by the Agency to the Company and the Bank, and in the case of any tax, assessment or governmental charge or the amounts specified in paragraphs (iii), (v) and (vi) hereof, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Leaseback Agreement unless an Event of Default hereunder shall have occurred and be continuing. Notwithstanding the provisions of this Section 3.7, if, because of the Company's failure to make payments as described in this Section 3.7, either the Agency, or any of its respective members, directors, officers, agents (except the Company), or employees, shall be threatened with a fine, liability, expense or imprisonment, then the Agency may immediately make payment on behalf of the Company in avoidance thereof. No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency for any reasonable and actual amount so paid or for reasonable and actual expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all legal fees and disbursements), together with interest thereon from the date of payment of such amount, expense or cost by the Agency at one percent above the prime rate as established by Bank of America, but in no event more than to the extent permitted by law.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 8.1 hereof such net proceeds shall be applied to the Payment of the amounts required to be paid by Section 8.2 hereof. If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 7.2 hereof such net proceeds shall be applied to the payment of the amounts required to be paid by Section 7.2 and Section 7.4 hereof.

Section 4.3 Condemnation of Company-Owned Property. The Company shall be entitled to the proceeds of any Condemnation award or portion thereof made for damage to or taking of any Property, which, at the time of such damage or taking, is not part of the Facility.

For purposes of this Section, "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986)), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity (collectively, the "Indemnified Parties"), from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, reasonable attorneys' and experts' fees, expenses and disbursements, and reasonable attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency, its officers, members, employees, agents (except the Company), representatives, contractors and subcontractors relating to, resulting from or arising out of (i) the environmental conditions at the Facility, (ii) the acquisition, construction, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the acquisition, renovation, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or

inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters"). The foregoing notwithstanding, the Company's obligations shall not apply to Indemnified Matters arising out of the gross negligence or willful misconduct of the Indemnified Parties or the introduction of Hazardous Substances to the Facility after the Company ceases to have ownership and control thereof.

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

#### Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances or Liens which have been bonded to the reasonable satisfaction of

Agency, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

#### Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment tax credit with respect to any part of the Facility.

#### Section 5.11 Employment Opportunities, Notice of Jobs.

The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

#### Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them, except for any gross negligence or

willful misconduct of the Agency, or any of its directors, members, agents (except the Company) or employees.

Section 5.13 Prevailing Wage Requirements. The Company acknowledges that the Agency's Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a of the New York State Labor Law ("Prevailing Wage Requirements") and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Agency Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement (and if the term of the PILOT Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

### RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING; PLEDGE OF INTERESTS

#### Section 6.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

## Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any reasonable and actual costs (including reasonable attorneys' fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

## Section 6.3 Assignment.

(a) This Leaseback Agreement may not be assigned, in whole or in part, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency in each instance as herein provided. A transfer in excess of 50% of the equity voting interests of the Company (other than a transfer to a family member) shall be deemed an assignment and require the prior written consent of the Agency as herein provided. The leasing of units to Residential Sublessees in the normal course of business shall not be considered a "sublease" for purposes of this Section 6.3. Any assignment or sublease requiring the Agency's consent shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall furnish to the Agency not less than 30 days prior to the date of such assignment or sublease a written request to consent to the assignment or sublease, together with a description of the proposed assignee or sublessee and such information regarding the Project and/or the proposed assignee or sublessee as may be reasonably requested by the Agency;

(iv) the Company shall furnish or cause to be furnished to the Agency a true, complete and fully executed copy of the assignment and assumption agreement between the Company and the assignee, or the sublease agreement between the Company and the sublessee, which shall be in a form that has been approved by Transaction Counsel (which approval shall not be withheld provided that the assignment and assumption agreement is in a commercially standard form and contains those provisions that the Agency customarily requires in such documents);

(v) there shall not exist any Events of Default under the Leaseback Agreement or any of the Transaction Documents on the date of assignment or sublease;

(vi) neither the validity nor the enforceability of the Leaseback Agreement shall be adversely affected thereby; and

(vii) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 6.3, the Company at its cost shall furnish the Agency, with an opinion, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to item (iv) above.

(c) If the conditions of this Section 6.3 are met, the Agency shall not condition, delay or withhold its consent to the sale of the Facility or assignment of this Leaseback Agreement.

#### Section 6.4 Pledge of Agency's Interests to Bank.

(a) The Agency has been requested to pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights) to the Bank, and to split the lien of the Mortgage among the Hotel Projects and the Residential Project upon completion. The Agency hereby consents to such mortgage, pledge and assignment and split of the lien of the Mortgage. Notwithstanding the foregoing, all indemnities herein

contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

(b) The Agency may be requested to further pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to the Bank or to another lending institution(s). The Agency shall not unreasonably withhold its consent to such mortgage, pledge and assignment. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

#### Section 6.5 Merger of Agency.

(a) Nothing contained in this Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Leaseback Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Agency, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.5(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

### ARTICLE VII

#### EVENTS OF DEFAULTS AND REMEDIES

##### Section 7.1 Events of Default Defined.

(a) The following shall be "Events of Default" under this Leaseback Agreement:

(i) the failure by the Company to pay or cause to be paid on the date due, the amounts specified to be paid pursuant to Section 2.6(a), (b) and (c) hereof and upon failure to cure such default within five (5) business days of receipt of notice as herein provided;

(ii) the failure by the Company to observe and perform any covenant contained in Sections 5.6 (following thirty (30) days written notice to the Company) and 6.3 hereof;

(iii) any representation or warranty of the Company herein or in any of the Company's Documents shall prove to have been false or misleading in any material respect;

(iv) the failure by the Company to observe and perform any covenant, condition or agreement hereunder on its part to be observed or performed (except obligations referred to in 7.1(a)(i), (ii), and (iii)) for a period of thirty (30) days after written notice from the Agency, specifying such failure and requesting that it be remedied, given to the Company by the Agency;

(v) the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; the commencement by the Company (as the debtor) of a case in Bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in Bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor) and a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor in such case or proceeding, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(vi) an event of default under the PILOT Agreement that is not cured within the appropriate cure period;

(vii) a breach of any covenant or representation contained in Section 5.8 hereof with respect to environmental matters; or

(viii) failure to maintain insurance as provided for in Section 3.4 and Section 3.5 herein, that is not cured before the insurance lapses.

(b) Notwithstanding the provisions of Section 7.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 2.2 and 3.1 of this Leaseback Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Leaseback Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions, or officials, any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

#### Section 7.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred (after all applicable notice and cure periods), the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 2.6(a), (b) and (c) hereof and (B) all other payments due under this Leaseback Agreement; provided, however, that if an Event of Default specified in Section 7.1(a)(v) hereof shall have occurred, such installments of rent and other payments due under this Leaseback Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate, on ten (10) days written notice from the Agency to the Company, the Lease Term and all rights of the Company under this Leaseback Agreement and the PILOT Agreement.

The Agency shall have the right to execute an appropriate termination of lease and leaseback agreement with respect to the Facility and to place the same on record in the Oneida County Clerk's Office, at the expense of the Company, and in such event the Company waives delivery and acceptance of such termination of leaseback agreement. The Company does hereby appoint the Agency as its true and lawful agent to execute such instruments and documents as may be necessary and appropriate to effectuate such termination as aforesaid. Such appointment of the Agency as the agent of the Company shall be deemed to be an agency coupled with an interest and such appointment shall be irrevocable;

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Leaseback Agreement.

(b) No action taken pursuant to this Section 7.2 shall relieve the Company from its obligation to make all payments required hereunder.

#### Section 7.3 Remedies Cumulative.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Leaseback Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Leaseback Agreement.

#### Section 7.4 Agreement to Pay Attorneys' Fees and Expenses.

In the event the Company should cause an Event of Default (taking into account all notice and cure periods) under any of the provisions of this Leaseback Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other reasonable expenses so incurred.

#### Section 7.5 No Additional Waiver Implied by One Waiver.

In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.6 Recapture.

(a) If the Company closes the Facility and shifts Project occupants outside of the City of Utica and, as a result, fails to achieve the Employment Obligation or the Project Obligation, then the Agency will require the value of the Financial Assistance utilized to date to be repaid, with interest (determined as the New York State legal interest rate).

(b) If the Company fails to meet the Employment Obligation or the Project Obligation for reasons other than described above or if the Company elects an early termination of the Leaseback Agreement pursuant to Section 8.1 hereof, then the Agency staff will meet with the Company, and the Company will have the opportunity to present its case as to relevant issues. The following criteria will be used to determine if a valid exemption exists for failure to achieve the Employment Obligation or the Project Obligation:

(i) Natural Disaster: if a natural disaster such as fire, flood or tornado disrupts the business.

(ii) Industry Trends: an evaluation of industry trends will be made relevant to the Company, and a determination reached as to whether the Company is in a market that is declining. International and national data will be used in the evaluation. An industry is considered in decline when, measure by the appropriate SIC code, it experiences employment or revenue declines – beyond its control – of 10% or more over 3 years.

(iii) Loss of Major Supplier or Customer: if the loss of a customer or supplier represents 15% or more of the sales of the Company.

(iv) Productivity Improvements: if new technology, equipment or general productivity improvements result in the need for less than projected employees or investment.

(v) Unfair Competition: if an international competitor utilizes an unfair competitive advantage to acquire market share.

(vi) Temporary Condition: if the failure to meet the Employment Obligation is temporary in nature.

(c) If the Agency based on criteria outlined in paragraph (a) determines that the Company's reasons for failing to meet the Employment Obligation or Project Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits. If the Agency based on criteria outlined in paragraph (b) determines that the Company's reasons for failing to meet the Employment Obligation or Project Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits and the Company will have thirty (30) days to respond to the default letter citing the reason or reasons the Company failed to achieve its Employment Obligation or Project Obligation, including any request to appear before the Agency board of directors. If the Agency then determines that the Company's reasons for failing to achieve the Employment Obligation or Project Obligation are invalid, the Agency, at its sole discretion, may:

(i) Take no action if it is determined that the reason or reasons for failing to achieve the Employment Obligation or Project Obligation are temporary or, in the sole opinion of the Agency, it is in the best interest of economic development of the City of Utica;

(ii) Reduce the benefits granted to the Company in an amount proportionate to the percentage of Employment Obligation or Project Obligation that was achieved (i.e., if the Company meets 75% of its Employment Obligation or Project Obligation, benefits are reduced by 25% in the next applicable tax year);

(iii) Require the Company to repay a percentage of the benefits received to date in an amount proportionate to the percentage of Employment Obligation or Project Obligation achieved and apply that percentage to future benefits until such time the original projections are met or until the expiration of the Lease Term, whichever is soonest; or

(iv) Terminate this Leaseback Agreement and the PILOT Agreement and require the Company to repay 100% of the benefits received to date.

(d) The Agency in granting benefits retains all rights to impose, delay or waive penalties and the right to deviate from these recapture provisions.

(e) No violation of these provisions in Section 7.6 will, in and of itself, constitute a default of any financing debt instrument.

(f) In accordance with Section 875(3) of the General Municipal Law and the policies of the Agency, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(i) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(ii) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(iv) the Company has knowingly made a material false or misleading statement, or knowingly omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect; or

(v) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation or Project Obligation and other objectives of the Project.

(g) If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

## ARTICLE VIII

### EARLY TERMINATION OF LEASEBACK AGREEMENT; OPTION IN FAVOR OF COMPANY

#### Section 8.1 Early Termination of Leaseback Agreement.

(a) The Company shall have the option to terminate this Leaseback Agreement at any time upon filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section and the date upon which such payments required by Section 8.2 hereof shall be made (which date shall not be less than 45 nor more

than 90 days from the date such certificate is filed) and upon compliance with the requirements set forth in Section 8.2 hereof. The Company acknowledges that the Agency may determine, in its sole discretion, that the Company exercising its option to terminate pursuant to this Section constitutes a recapture event under Section 7.6 hereof.

(b) The Agency shall have the option at any time to terminate this Leaseback Agreement and to demand immediate payment in full of the rental reserved and unpaid as described in Section 2.6 hereof upon written notice to the Company of (i) the occurrence of an Event of Default hereunder and failure to cure within the prescribed period or (ii) a determination by the Agency under Section 7.6 hereof that the Company has failed to meet the Project Obligation and termination is an appropriate remedy or (iii) the invalidity, illegality or unenforceability of the PILOT Agreement.

#### Section 8.2 Conditions to Early Termination of Leaseback Agreement.

In the event the Company exercises its option to terminate this Leaseback Agreement in accordance with the provisions of Section 8.1 hereof, the Company shall make the following payments:

(a) To the Agency or the Taxing Authorities (as such term is defined in the PILOT Agreement), as appropriate pursuant to the terms of the PILOT Agreement: all amounts due and payable under the PILOT Agreement as of the date of the conveyance described in Section 8.3 hereof, including all amounts due and payable resulting from a default of the provisions of Section 7.6 hereof, if any.

(b) To the Agency: (i) all amounts, if any, the Agency deems reasonably due and payable pursuant to Section 7.6 hereof as of the date of the conveyance described in Section 8.4 hereof; and (ii) an amount certified by the Agency sufficient to pay all past due and unpaid reasonable and actual fees and expenses of the Agency incurred under the Agency Documents as of the date of the conveyance described in Section 8.4, including any attorneys' fees incurred by the Agency in connection with the termination of the Facility.

#### Section 8.3 Obligation to Terminate Leasehold Interest In Facility.

Upon termination or expiration of the Lease Term, in accordance with Sections 2.5 or 8.1 hereof, the Agency's leasehold interest in the Facility will terminate automatically and without further notice to either party, subject only to the following: (A) any Liens to which title to such Property was subject when the leasehold interest was conveyed to the Agency, (B) any Liens created at the request of the Company, to the creation of which the Company consented or in the creation of which the Company acquiesced, (C) any Permitted Encumbrances and (D) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Leaseback Agreement or arising out of an Event of Default

hereunder. Upon the termination of the Agency's leasehold interest pursuant to this Article VIII, all Agency Documents shall terminate.

#### Section 8.4 Conveyance on Termination.

Upon termination pursuant to Section 8.3 hereof, the Agency shall deliver to the Company all necessary documents to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any net proceeds of insurance or Condemnation awards with respect to the Facility (but not including any Unassigned Rights). At the request of the Company, the Agency shall deliver to the Company appropriate memoranda that the Company can record with the Oneida County Clerk to confirm the terminations.

The subordination of this Leaseback Agreement to the Mortgage shall be automatic, without execution of any further subordination agreement by the Company or the Agency. Nonetheless, if the Bank requires a further written subordination agreement, the Company and the Agency hereby agree to execute, acknowledge and deliver the same.

Section 9.14 Rights of Bank.

(a) The Bank is hereby given the right by the Agency, in addition to any other rights herein granted, without any requirement to obtain the Agency's consent, to mortgage the mortgagors' respective interests in the Facility and, in the case of the Company, to assign and grant a security interest in the Company's rights under the Company Documents as collateral security for its obligations to the Bank, upon the condition that all rights acquired by the Bank shall be subject to all rights and interests of the Agency herein and in the other Company Documents, none of which covenants, conditions or restrictions is or shall be waived by the Agency by reason of this right to mortgage or grant a security interest in the Facility and the Company Documents, including Unassigned Rights.
