

**Inducement Resolution
Impact Cornhill LLC
James Street and West Street Facility**

RESOLUTION OF THE CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY TAKING OFFICIAL ACTION IN CONNECTION WITH A LEASE-LEASEBACK TRANSACTION WITH IMPACT CORNHILL LLC, THE PRINCIPALS OF IMPACT CORNHILL LLC, AND/OR AN ENTITY FORMED OR TO BE FORMED ON BEHALF OF ANY OF THE FOREGOING, AUTHORIZING THE EXECUTION AND DELIVERY OF AN INDUCEMENT AGREEMENT, AUTHORIZING A PUBLIC HEARING AND MAKING CERTAIN FINDINGS AND DETERMINATIONS WITH RESPECT TO THE PROJECT.

WHEREAS, Impact Cornhill LLC, on behalf of itself and/or the principals of Impact Cornhill LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the “Company”) has applied to the Agency to enter into a lease-leaseback transaction in which the Agency will assist in (i) acquisition of two parcels of land located at 1119 – 1121 West Street and ten parcels of land located at (no numbers assigned), 1112, 1122 – 1127 Miller Street (collectively, the “West Street Land”) and a parcel of land located at 313 James Street (the “James Street Land”), all in the City of Utica, Oneida County, New York (collectively, the “Land”); (ii) construction on the James Street Land of a multifamily affordable housing facility with 24 residential units, 5,500± square feet of commercial space including, entrepreneurial incubator pods, urban grocery store and courtyard together with infrastructure to service the same (collectively, the “James Street Improvements”); (iii) demolition of three buildings situated on the West Street Land and construction of a multifamily affordable housing facility with 78 residential units, a 20,000± square foot community center and a 9,000± square foot gymnasium together with infrastructure to service the same (the “West Street Improvements” and together with the James Street Improvements, the “Improvements”); and (iv) acquisition and installation of furniture, fixtures and equipment in the Improvements (the “Equipment”), all to be beneficially owned and operated by the Company as a multifamily mixed-income and supportive housing facility to enhance economic development and retain employment in the City of Utica (the Land, the Improvements and the Equipment are referred to collectively as the “Facility” and the

acquisition, demolition, construction and equipping of the Facility is referred to collectively as the “Project”); and

WHEREAS, Impact Cornhill Housing Development Fund Corporation, a New York not-for-profit corporation is (or will be on the date of closing) the fee owner, as nominee, of the Facility and the Company is (or will be on the date of closing) beneficial owner of the Facility and will lease the Facility to the Agency pursuant to a Lease Agreement; and

WHEREAS, the Facility will be leased back to the Company for its operation pursuant to a Leaseback Agreement by and between the Agency and the Company (the “Leaseback Agreement”) and pursuant to Article 18-A of the General Municipal Law of the State of New York and Chapter 372 of the Laws of 1970 of the State of New York, as may be amended from time to time (collectively, the “Act”); and

WHEREAS, the Company intends to further sublease individual residential units comprising the Facility to residential tenants (each a “Residential Sublessee” and collectively the “Residential Sublessees”); and

WHEREAS, the Company intends to further sublease the commercial portions of the Facility to commercial tenants to be identified (each a “Commercial Sublessee” and together with the Residential Sublessees the “Sublessees”); and

WHEREAS, the New York State Housing Finance Agency (“NYS HFA”) intends to finance a portion of the costs of the Facility by extending one or more loans to the Company in the aggregate principal sum of \$25,700,854.00 to be secured by one or more mortgages (collectively, the “HFA Mortgage”) from the Company to NYS HFA; and

WHEREAS, the City of Utica commissioned a housing study (the “Utica Housing Study”) that identified a need for quality affordable housing; and

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, the Agency contemplates that it will provide financial assistance to the Company in the form of abatement of real property tax for a period of thirty-two (32) years during which time the Company will pay as PILOT Payments (i) during the construction period in exemption years one and two: an amount equal to the taxes calculated using the assessment of the Land for the 2024 taxable status date and (ii) in exemption years three through thirty-two: eight percent (8.00%) of the effective gross

income of the Facility (the “Financial Assistance”), which Financial Assistance is a deviation from the Agency’s Uniform Tax Exemption Policy; and

WHEREAS, the value of the proposed Financial Assistance is as follows:

| | |
|----------------------------------|--------------------------------|
| Sales and use tax exemption | N/A |
| Mortgage recording tax exemption | N/A |
| Real property tax abatement | \$8,247,484.00 (approximately) |

WHEREAS, the Agency is contemplating deviating from Policy for the following reasons:

- **The nature of the proposed Facility** – The mixed-use nature of the Facility will provide necessary amenities, is in furtherance of the Downtown Revitalization Initiative and is consistent with the Master Plan for the City of Utica. The Facility will also fill a demand for housing identified in the Vision2020 initiative and the City of Utica Housing Study.

The Impact Centers are designed to foster economic revitalization and support neighborhood families. A strong collaboration has resulted in partnerships between the project & local organizations that intend to provide services. Programming at West Street includes a multipurpose gym with adult recreation and fitness; additional programming will include public community space, coworking, test kitchen, entrepreneurial incubator, recreational gym and dance area, media and art space, and a courtyard. This programming is critical to creating educational and vocational opportunities for the community, supporting upward mobility. James Street includes an urban grocery, marketplace and commercial test kitchen for food vendors and start-up restaurateurs, flexible space for small retail and other microenterprise opportunities, incubating small-scale programming to support business owners, and creative spaces including a recording studio and multimedia lab.

- **The nature of the Facility before the project begins** – The West Street land is comprised of buildings that are underutilized. The James Street land is vacant.
- **The economic condition of the area at the time of the application** – the Facility is located in an area that has been designated an economic development zone pursuant to Article 18-B of the General Municipal Law, and is therefore located in a “highly distressed area” (as defined in Section 854(18) of the New York General Municipal Law) because the Facility is located in a former Empire Development Zone as described in Article 18-B of the General Municipal Law.

The Cornhill neighborhood is one of Utica's most diverse and economically challenged neighborhoods.

- **The impact of the proposed Facility on existing and proposed businesses and economic development projects in the vicinity** – redeveloping and stabilizing the Facility will help to revitalize the neighborhood and will support and complement new and future projects. The two community Impact Centers - the West Street Center and the James Street Center -- will support a mix of innovative and existing community-focused programs. The West Street Center will be the centerpiece of an urban opportunity campus on the periphery of a targeted development area identified in the City's Housing Study. The Facility will contain space to be occupied by start-up businesses led by entrepreneurs from the neighborhood.
- **The extent to which the Facility will retain and increase permanent, private sector jobs.**
- **Impact of the proposed tax exemptions on affected tax jurisdictions:** The proposed PILOT Payments are significantly higher than the tax payments that are currently generated by the property. The PILOT Payments will not reduce the amount of tax revenue presently realized by the affected tax jurisdictions but they will allow the Company to make a significant investment in the property, which will benefit the community.
- **The extent to which the proposed project will provide additional sources of revenue for municipalities and school districts in which the project is located** – as the properties have been underutilized for several years, private development and ownership may be a boost to the local taxing jurisdictions by providing for additional real property tax revenues through the possibility of a higher assessed value.

WHEREAS, prior to the closing of a lease-leaseback transaction, and the granting of any Financial Assistance, a public hearing (the "Hearing") will be held so that all persons with views in favor of or opposed to either the financial assistance contemplated by the Agency, or the location or nature of the Facility, can be heard; and

WHEREAS, notice of the Hearing will be given prior to the closing of a lease-leaseback transaction, and the granting of any Financial Assistance, and such notice (together with proof of publication) will be substantially in the form annexed hereto as **Exhibit A**; and

WHEREAS, the minutes of the Hearing are or will be annexed hereto as **Exhibit B**; and

WHEREAS, prior to the granting of any financial assistance, the Agency must make a finding that the Project will promote employment opportunities and prevent economic deterioration in the area served by the Agency; and

WHEREAS, the Company has submitted to the Agency an application and supporting materials to support said finding, regarding the economic and other benefits to the City of Utica expected to result from the Project and the positive impact of affordable housing on local economies; and

WHEREAS, the Agency has given due consideration to the application and other materials submitted by the Company and to representations by the Company that the proposed grant of financial assistance, is an inducement to the Company to acquire and renovate the Facility, and will promote employment opportunities and prevent economic deterioration in the City of Utica; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, the “SEQR Act” or “SEQRA”), the Agency constitutes a “State Agency”; and

WHEREAS, to aid the Agency in determining whether the Facilities may have a significant effect upon the environment, the Company has prepared and submitted to the Agency an Environmental Assessment Form and related documents (the “Questionnaire”) with respect to the Facilities, a copy of which is on file at the office of the Agency; and

WHEREAS, prior to the granting of any tax benefits, the Agency will complete its environmental review and make determinations for purposes of SEQRA.

WHEREAS, the members of the Agency now desire to take certain initial actions to authorize the Project.

NOW, THEREFORE, BE IT RESOLVED by the City of Utica Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

- Section 1. (a) The Project constitutes a “project” within the meaning of the Act.
- (b) The undertaking of the Project and the financial assistance thereof by the Agency, through the lease of the Facility to the Company by

the Agency pursuant to a lease-leaseback transaction, will induce the Company to acquire, demolish and construct the Facility in the City of Utica, thereby increasing the supply of adequate, safe and sanitary low rent housing accommodations for persons and families of mixed income, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the City of Utica and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act and the same is, therefore, approved;

- (c) It is desirable and in the public interest for the Agency to enter into a lease-leaseback transaction for the purpose of providing financial assistance for the acquisition, demolition, construction and equipping of the Facility, together with necessary incidental expenses in connection therewith as reflected in the Company's application to the Agency and as amended from time to time prior to the closing of the lease-leaseback transaction.
- (d) The purpose of the Project is to redevelop and renew a diverse and economically challenged neighborhood in the City of Utica by providing mixed-income and supportive housing, which fills a need identified in the Utica Housing Study by increasing the stock of new and safe affordable housing. The Project will also create Impact Centers that will foster economic revitalization, support families and provide space for start-up businesses led by entrepreneurs from the neighborhood.
- (e) Based on the representations made by the Company and the materials provided in the Application, the Project will promote employment opportunities and prevent economic deterioration in the City of Utica.

Section 3.

The form and substance of a proposed inducement agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the closing of the lease-leaseback transaction and the acquisition, demolition, construction and equipping of the Facility (the "Agreement") is hereby approved. The Chairman of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, with such changes in terms and form as the Chairman shall approve. The execution

thereof by the Chairman shall constitute conclusive evidence of such approval.

- Section 4. Subject to the conditions set forth in Section 4.02 of the Agreement, the Agency shall (i) assist with the acquisition, demolition, construction and equipping of the Facility, (ii) lease the Facility to the Company pursuant to an agreement by and between the Agency and the Company whereby the Company will be obligated, among other things, to make payments to or for the account of the Agency.
- Section 5. The law firm of Bond, Schoeneck & King, PLLC is appointed Transaction Counsel and Agency Counsel in connection with the lease-leaseback transaction.
- Section 6. Counsel to the Agency and Transaction Counsel are hereby authorized to work with counsel to the Company and others to prepare, for submission to the Agency, all documents necessary to effect the lease-leaseback transaction.
- Section 7. The Chairman of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company, and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.
- Section 8. A copy of this resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours, and shall also be posted on the Agency's public website.
- Section 9. This resolution shall take effect immediately.
