WHEREAS, RED Adirondacks, LLC, on behalf of itself and/or the principals of RED Adirondacks, LLC, and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") has applied to the City of Utica Industrial Development Agency (the "Agency") to enter into a transaction in which the Agency will assist in an adaptive reuse initiative consisting of the substantial renovation of a 100,000± square foot vacant industrial building into 35 residential loft units, 5,000± square feet of commercial space, 25,000± square feet of indoor parking, fitness center and other common areas, landscaping and exterior paved areas (collectively, the "Improvements") situated on a 4.7± acre parcel of land located at 2214 Whitesboro Street, City of Utica, Oneida County, New York (the "Land"), and the acquisition and installation of equipment in the Improvements (the "Equipment"), all to promote employment opportunities by filling a demand for quality, high-density housing in the City of Utica (the Land, the Improvements and the Equipment referred to collectively as the "Facility" and the renovation and equipping of the Facility is referred to as the "Project"), including, without limitation, the following as they relate to the renovation and equipping of such Facility, whether or not any materials or supplies described below are incorporated into or become an integral part of such Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the renovation and equipping, and (ii) purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with renovation and equipping and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under such building; and

WHEREAS, the Company will lease the Facility to the Agency; and

WHEREAS, the Facility will be leased back to the Company or such other person as may be designated by the Company and agreed upon by the Agency, pursuant to Article 18-A of the General Municipal Law of the State of New York and Chapter 710 of the Laws of 1981 of the State of New York, as may be amended from time to time (collectively, the "Act"); and

WHEREAS, the Company will sublease the residential units (each, a “Unit”) to tenants to be identified from time to time (each, a “Residential Sublessee” and collectively, the “Residential Sublessees”) pursuant to a Lease and Option Agreement (the “Residential Leases”), which Residential Leases will provide the Residential Sublessees the option to purchase the Unit after the first year; and

WHEREAS, the Company will sublease the commercial units to commercial and/or retail tenants to be identified from time to time (each, a “Commercial Sublessee” and collectively the “Commercial Sublessees” and together with the Residential Sublessees, the “Sublessees”); and

WHEREAS, the City of Utica commissioned a housing study dated July 2022 (the “Utica Housing Study”) and the County of Oneida commissioned a housing study dated March 21, 2025 (the “County Housing Study”), both of which identify a need for quality, market-rate housing to support the workforce; and

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, the Agency contemplates that it will provide financial assistance to the Company in the form of:

- Exemptions from sales and use taxes on materials and equipment purchased in connection with the Project, the value of which is estimated at \$1,059,968; and
- Exemptions from mortgage recording taxes, the value of which is estimated at \$30,000; and
- Abatement of real property taxes for a period of ten years, assignable to each Residential Sublessee upon purchasing the Unit, the value of which is estimated at \$174,316, during which time the Company (or the Residential Sublessee) will make the following payments:

Years 1 – 2	0% of taxes
Year 3	25% of taxes
Year 4	30% of taxes
Year 5	40% of taxes

Year 6	50% of taxes
Year 7	50% of taxes
Year 8	60% of taxes
Year 9	70% of taxes
Year 10	80% of taxes
Years 11 and after	100% of taxes

which financial assistance is a deviation from the Agency's Uniform Tax Exemption Policy (the "Policy"), to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein; and

WHEREAS, the Agency is contemplating deviating from its Policy for the following reasons:

- ✓ The nature of the proposed Facility – **The mixed-use nature of the Facility will provide necessary amenities, and is consistent with the Master Plan for the City of Utica. The Facility will also fill a demand for housing identified in the County Housing Study and the City of Utica Housing Study.**
- ✓ The nature of the Facility before the project begins -- **The former Dunlop Building is an historic building that is underutilized and in need of rehabilitation.**
- ✓ The economic condition of the area at the time of the application – **the Facility is located in an area that has been designated an economic development zone pursuant to Article 18-B of the General Municipal Law, and is therefore located in a "highly distressed area" (as defined in Section 854(18) of the New York General Municipal Law) because the Facility is located in a former Empire Development Zone as described in Article 18-B of the General Municipal Law**
- ✓ The impact of the proposed Facility on existing and proposed businesses and economic development projects in the vicinity – **redeveloping and stabilizing the Facility will help to revitalize this area of the City as well as downtown Utica as it is a gateway into Utica. It will support and complement new and future projects, including the Wynn Hospital, the Nexus Center and the Wolfspeed facility.**
- ✓ The extent to which the Facility will increase permanent, private sector jobs

- ✓ The extent to which the proposed project will provide additional sources of revenue for municipalities and school districts in which the project is located – **as the building has been underutilized for several years, private development and ownership will be a boost to the local taxing jurisdictions by providing for additional real property tax revenues through a higher assessed value.**

WHEREAS, as a condition of the proposed Financial Assistance, the Company agrees to create 8 full-time equivalent positions (“FTEs”) within two years of completion of the Project, and maintain all at the Facility for the term of the Leaseback Agreement; and

WHEREAS, prior to the closing of a lease-leaseback transaction, and the granting of any financial assistance, a public hearing (the “Hearing”) will be held so that all persons with views in favor of or opposed to either the financial assistance contemplated by the Agency, or the location or nature of the Facility, can be heard; and

WHEREAS, notice of the Hearing will be given prior to the closing of a lease-leaseback transaction, and the granting of any financial assistance, and such notice (together with proof of publication) will be substantially in the form annexed hereto as **Exhibit A**; and

WHEREAS, the minutes of the Hearing are or will be annexed hereto as **Exhibit B**; and

WHEREAS, the Agency has given due consideration to the application of the Company and to representations by the Company that the proposed lease-leaseback transaction is either an inducement to the Company to maintain and expand the Facility in the City or is necessary to maintain the competitive position of the Company in its industry; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, the “SEQR Act” or “SEQRA”), the Agency constitutes a “State Agency”; and

WHEREAS, to aid the Agency in determining whether the Facility may have a significant effect upon the environment, the Company has prepared and submitted to the Agency an Environmental Assessment Form and related documents and the resolutions, findings and negative declaration adopted by the City of Utica Planning Board, which served as lead agency for the purposes of SEQRA, with respect to the Facility, a copy of which is on file at the office of the Agency; and

WHEREAS, just prior to this resolution the Agency made determinations and findings and adopted a negative declaration for purposes of SEQRA.

NOW, THEREFORE, BE IT RESOLVED by the City of Utica Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

- Section 1. (a) The renovation and equipping of the Facility and the financing thereof by the Agency, through the lease of the Facility to the Company by the Agency pursuant to a lease-leaseback transaction will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the City of Utica and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act and the same is, therefore, approved;
- (b) It is desirable and in the public interest for the Agency to enter into a lease-leaseback transaction for the purpose of financing the costs of the renovation and equipping of the Facility, together with necessary incidental expenses in connection therewith as reflected in the Company's application to the Agency and as amended from time to time prior to the closing of the lease-leaseback transaction.
- (c) The purpose of the Project is to provide quality, high-density housing, which fills needs identified in the Utica Housing Study and the County Housing Study. The Units will be upscale, designed to attract professionals that are currently either underserved by Utica's existing apartment stock or living outside the City of Utica. Based on the representations made by the Company and the materials provided in the Application, the Project will promote employment opportunities and prevent economic deterioration in the City of Utica.
- Section 2. The form and substance of a proposed inducement agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the closing of the lease-leaseback transaction, and the development of the Facility (the "Agreement") is hereby approved. The Chairman of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, with such changes in terms and form as the Chairman shall approve. The execution thereof by the Chairman shall constitute conclusive evidence of such approval.

- Section 3. Subject to the conditions set forth in Section 4.02 of the Agreement the Agency shall (i) renovate and equip the Facility, (ii) lease the Facility to the Company pursuant to an agreement by and between the Agency and the Company whereby the Company will be obligated, among other things, to make payments to or for the account of the Agency.
- Section 4. The Company is herewith and hereby appointed the agent of the Agency to renovate, equip and complete the Facility. The Company is hereby empowered to delegate its status as agent of the Agency to agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company may choose in order to renovate, equip and complete the Facility. The terms and conditions for the appointment of the Company as agent of the Agency for the purposes described in this resolution are set forth in the form of the attached letter addressed to the Company, marked as **Exhibit C** to this resolution. The form of such letter is incorporated herein by reference and is approved and adopted by the Agency, and the Chairman or Executive Director of the Agency or any other duly authorized official of the Agency are authorized to execute and deliver such letter to the Company. The Agency hereby appoints the agents, subagents, contractors, subcontractors, materialmen, vendors and suppliers of the Company as agents of the Agency solely for purposes of making sales or leases of goods, services, and supplies to the Facility, and any such transaction between any agent, subagent, contractor, subcontractor, materialmen, vendor or supplier, and the Company, as agent of the Agency shall be deemed to be on behalf of the Agency and for the benefit of the Facility. The Company shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company, as agent of the Agency.
- Section 5. The law firm of Bond, Schoeneck & King, PLLC is appointed Transaction Counsel and Agency Counsel in connection with the lease-leaseback transaction.
- Section 6. Counsel to the Agency and Transaction Counsel are hereby authorized to work with counsel to the Company and others to prepare, for submission to the Agency, all documents necessary to effect the lease-leaseback transaction.

Section 7. The Chairman of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company and the affected tax jurisdictions, (ii) schedule a public hearing, and (iii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 8. This resolution shall take effect immediately.

(RED Adirondacks, LLC Facility)*

Ladies and Gentlemen:

Pursuant to a resolution duly adopted on August 20, 2025, the City of Utica Industrial Development Agency (the "Agency") appointed RED Adirondacks, LLC, on behalf of itself and/or the principals of RED Adirondacks, LLC, and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") the true and lawful agent of the Agency to enter into a transaction in which the Agency will assist in the substantial renovation of a 100,000± square foot vacant industrial building into 35 residential loft units, 5,000± square feet of commercial space, 25,000± square feet of indoor parking, fitness center and other common areas, landscaping and exterior paved areas (collectively, the "Improvements") situated on a 4.7± acre parcel of land located at 2214 Whitesboro Street, City of Utica, Oneida County, New York (the "Land"), and the acquisition and installation of equipment in the Improvements (the "Equipment"), all to promote employment opportunities by filling a demand for quality, high-density housing in the City of Utica (the Land, the Improvements and the Equipment referred to collectively as the "Facility" and the renovation and equipping of the Facility is referred to as the "Project").

It is the intent of the Agency that this agency appointment include, from the effective date of such appointment, authority to purchase, lease and otherwise use on behalf of the Agency all materials, equipment, goods, services and supplies to be incorporated into and made an integral part of the Facility and also include the following activities as they relate to the Project, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the Project; (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with the Project including all utility services and (iii) all purchases, leases, rentals and uses of equipment, machinery,

and other tangible personal property (including installation costs), installed or placed in, upon or under such building, including all repairs and replacements of such property.

The agency appointment includes the power to delegate such agency appointment, in whole or in part, to agents, subagents, contractors, subcontractors, materialmen, suppliers and vendors of the Company and to such other parties as the Company chooses so long as they are engaged, directly or indirectly, in the activities hereinbefore described.

In exercising this agency appointment, the Company, its agents, subagents, contractors and subcontractors, should give the supplier or vendor a copy of this letter to show that the Company, its agents, subagents, contractors and subcontractors are each acting as agent for the Agency. Construction contracts, purchase orders and other agreements relating to the project should be executed by the Company, or any sub-agent appointed by the Company, as agent of the Agency. Also, purchases must be billed or invoiced by the vendor to the Company, or any sub-agent appointed by the Company, as agent of the Agency (e.g. "RED Adirondacks, LLC as agent for the City of Utica Industrial Development Agency"). The supplier or vendor should identify the Facility as the "**RED Adirondacks, LLC Facility**" on each bill or invoice and indicate thereon that the Company, its agents, subagents, contractors and subcontractors acted as agent for the City of Utica Industrial Development Agency in making the purchase. You and each of your agents, subagents, contractors and/or subcontractors claiming a sales tax exemption in connection with the Facility must execute a copy of the Contract in Lieu of Exemption Certificate attached hereto, and must complete a New York State Department of Taxation and Finance Form ST-60. The value of exemptions from sales and use taxes on materials and equipment currently authorized by the Agency shall not exceed \$183,750.00 in the aggregate. If the exemptions claimed by the Company exceed (a) \$100,000 between August 20, 2025 and the date of the public hearing or (b) 183,750.00 in the aggregate, it may subject the Company to recapture of the New York State portion of sales tax.

CONTRACT IN LIEU OF EXEMPTION CERTIFICATE

This Contract is entered into by and between **RED ADIRONDACKS, LLC** (the "Company"), as agent for and on behalf of the City of Utica Industrial Development Agency, a public benefit corporation and a governmental agency of the State of New York (the "Agency") in connection with the renovation, equipping and completion of the facility described in Addendum A hereto (the "Facility") and the contractor or the subcontractor more particularly described on page 2 hereof (the "Contractor").

Pursuant to the authority granted to the Company, as agent of the Agency, the Contractor is hereby appointed agent of said Agency for purposes of completing, executing or otherwise carrying out the obligations imposed under this Contract.

The Contractor acknowledges that the Agency has acquired or will acquire a leasehold interest in the Facility and the Agency is a public benefit corporation and governmental entity of the State of New York. By reason of such status, Agency and its agents acting on its behalf are exempt from payment of all New York State and local sales and use taxes on the purchase or lease of all materials, equipment, goods, services and supplies incorporated into and made an integral component part of any structure, building or real property which becomes the property of Agency, and all equipment, machinery and other tangible personal property (including installation costs with respect thereto) which becomes the property of Agency or in which the Agency has a leasehold interest. In addition, Agency and its agents acting on its behalf are exempt from all sales and use taxes arising out of or connected with the following, as they relate to performance under this Contract: (i) purchases, leases, rentals and other uses of tools, machinery and equipment, and (ii) purchases, leases, rentals, uses or consumption of supplies, goods, materials and services of every kind and description; provided, however, that exemption from sales and use tax with respect to clauses (i) and (ii) above shall apply only if the Contractor is then acting as agent for Agency under the terms of this Contract.

Pursuant to these exemptions from sales and use taxes, the Contractor shall not include such taxes in its contract price, bid, or reimbursable costs, as the case may be. If the Contractor does not comply with the requirements for sales and use tax exemptions, as described above, then it shall be responsible for and pay any and all applicable New York State sales and use taxes, and no portion thereof shall be charged or billed to the Agency or the Company directly or indirectly, the intent of this Contract being that neither Agency nor the Company shall be liable for any of the sales or use taxes described above. This Contract may be accepted by the Contractor in lieu of an exemption certificate, and the Contractor shall retain a copy hereof to substantiate the sales and use tax exemption.

The aforesaid appointment of the Company as agent of the Agency to renovate and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) August 20, 2026, provided, however, such appointment may be extended at the discretion of the Agency, upon the written request of the

Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment.

The value of exemptions from sales and use taxes on materials and equipment currently authorized by the Agency shall not exceed \$183,750.00 in the aggregate. If the exemptions claimed by the Company exceed (a) \$100,000 between August 20, 2025 and the date of the public hearing or (b) 183,750.00 in the aggregate, it may subject the Company to recapture of the New York State portion of sales tax.

The Agency shall have the right to assign this Contract to the Company by written notice to the Contractor and without written consent of the Contractor, in which case Agency shall be relieved of all obligations hereunder. In the event of such assignment, all applicable sales and use taxes shall be added to the purchase price and paid to the Contractor pursuant to a change order. All of the above provisions with respect to exemptions for New York State sales and use taxes shall apply to all subcontractors and other parties in privity of contract with the Company, Agency or the Contractor pursuant to the terms of this Contract.
